## **New Programs at Winter Break Family Camp 2016!**

### **Puffinim—Our Littlest Eidah (0-3 year olds)**

Instead of a traditional babysitting program, our youngest campers (ages 0-3) will have their own special *Eidah—the Puffinim* (Puffins). Our *Puffinim* campers will have dedicated counselors who bring them around to all the fun camp activities that we offer, while providing safe, nurturing, and age-appropriate content. In the afternoons, from 1:00-2:00, we will have *Shaat Menucha* (rest time) for these campers. If your child is a napper, they may bring a special lovey or blankie to cuddle with, and will have a dark room to rest and sleep. If your child is not a napper, we will provide quiet stories and resting during this time. Please send diapers and wipes with your child in their bag (and extra clothes, if they are in underwear). Since camp hours are only 2-3 hours at a time, we will not change diapers, unless necessary.

### **Etgar—Our Program for Teens**

For the first time at Winter Break Family Camp, we are excited to launch our Etgar program! Etgar in Hebrew means "Challenge"-- this program offers our teens a chance to challenge themselves. The Etgar teens will have an opportunity shape their experience by creating a Winter Break Family Camp program together that combines their need for excitement with their personal interests. At the first Etgar program, the counselors will work with our teens to craft the Winter Break Family Camp Experience and activities that most appeal to the group.

# Helpful Hints and Important Information

## A NOTE ABOUT CHANNUKAH

We are so excited that Winter Break Family Camp and the celebration of *Channukah* converge this year! Each evening we will hold a community candle lighting on the *Kikar* (soccer field in front of the Levine Center). After the communal lighting, we encourage families to take a few moments to light a family *Menorah* inside the *Chadar Ochel* (dining hall), before dinner begins. You are welcome to bring a special *Menorah* from home. We will also have a *Menorah*-making craft on the first afternoon, which you can use throughout your vacation, and bring home with you. Matches and wax candles will be provided.

We know that many families have the custom of giving gifts to one another during the holiday. We ask however, that if this is your custom, you please give gifts in your cabin/hotel. This year at Winter Break Family Camp our theme is “The Gifts That Keep Giving”. We want to encourage you and your family to think of the gifts in your lives that are not objects. For our Retreat we will focus on a different gift each day: The Gift of Family, The Gift of Love, The Gift of Presence, The Gift of Light, The Gift of Community, and The Gift of YOU. Through each of these gifts, our lives can truly be enriched.

## SUPERVISION

When your children are with their counselors during group time, they will be fully supervised by the counselors and given a full camp program. At other times, such as family time and meals, parents are responsible for the supervision of their children.

During the evening adult activities, counselors will be assigned to central spaces in the hotel and cabin areas to listen for children who wake up or need something. Counselors are there to respond to needs that arise, but are not available to supervise bedtime. One counselor will always be available to get a parent if necessary, and every location will have a walkie talkie to stay in communication. However, please note that each family will not have its own individual babysitter. If you wish to participate in *Shmira* (Night Listening), you must fill out the *Shmira* Agreement, and return it to us at registration.

## MEALS

We are excited to create our Ramah Darom Family Camp community. Lunch and Dinner each day will begin together as a community with *HaMotzi* and will end with *Birkat HaMazon* (the Blessing after Meals). Then we'll have some great singing! Let us know if you would like to lead a prayer or teach a song.

At lunch and dinner, approximately halfway through the meal the Mountainside “Kid Zone” (located in the Mountainside *Chadar Ochel*) will be open. This “children’s room” will be a supervised area for kids who have finished eating to hang out and play. There will be some toys and games available and you may also add your own (please label them so they can be returned to you). This space enables parents to eat, while children enjoy supervised play, and the whole community can be together to end the meal with *Birkat HaMazon* and singing.

## SNACKS

Food is plentiful at camp and no one will go hungry. Whole fruit, water and coffee are available at all times in the *Chadar Ochel* (dining hall). If you are planning to bring your own snacks just in case, please be sure they are *hekshered* (kosher certified). Please note that no personal food or snacks may be brought into the *Chadar Ochel*. Similarly, we ask that no utensils be brought out of the *Chadar Ochel*. This is so we can be sure to maintain our strict standards of Kashrut. If you have questions, please ask.

## ALCOHOL

During the *Channukah* Party, Shabbat dinner, adult NYE party, and Late Night adult programs, Ramah Darom will supply alcoholic beverages. We will be sure to have plenty of drinks for your enjoyment. However, in order to maintain our Standards of Kashrut, we ask that you do not bring your own alcoholic beverages into the *Chadar Ochel*.

## Telephones, Electronics, and Wi-Fi

### Telephones and Help Desk

Cell phone service has improved in recent years, but does not always work reliably in the beautiful mountains of Clayton, GA. The phone number at camp is (706) 782-9300. Phones are available at locations throughout camp. Family camp is an opportunity to enjoy a vacation from your phone!

The Front Desk at the Welcome Center will be staffed until 10pm on the day of registration. After this we will have a Help Desk available located in the *Chadar Ochel* at the Levine Center.

**In case of an emergency**, the hospital in Clayton is about 15 minutes away. Please bring your own prescription medication and any over-the-counter supplies your family may need.

### Electronics

Family Camp is a great time to take a break from electronics. While camp is a safe environment, please be aware that individual rooms do not lock. Please be conscious of this when packing. Campers will not be permitted to bring electronics to group time each day. We encourage everyone to enjoy the community and use earphones & game-playing devices only in their rooms.

Shabbat at Camp is also a special opportunity to unplug from our phones and other devices so we can connect with family, new friends, and nature. Out of respect for this value and our community, we ask that guests refrain from using electronics in public spaces during Shabbat. (In case of emergency, phones are available in all rooms and throughout the campus.)

### Internet

WIFI is now available throughout camp in all buildings, making it easier to send/receive text messages and email via smart phones and other devices.

## MEET OUR AMAZING RABBIS IN RESIDENCE

**Rabbi Ari Kaiman** loves just about everyone. He loves to sing and pray with his community. He loves a good conversation after a delicious Shabbat meal. He loves learning with children, teens, and adults. He cherishes every moment of life, the good and the hard.

Rabbi Kaiman found a deep sense of purpose and infinite inspiration from his teachers at the Ziegler School of Rabbinic Studies. He received his Rabbinic ordination, with a concentration in Philosophy, studying closely with his Rabbis, Brad Artson and Elliot Dorff. His senior thesis is titled, “Why should a Jew (or anyone) read the Bible?”

Upon ordination, Rabbi Kaiman served as Assistant Rabbi at Congregations B’nai Amoona in St. Louis for five years. He was instrumental in founding Makor, a young adult group. He is also deeply proud of his partnership with the Miller Introduction to Judaism program through which he brought dozens of seekers to their home in Judaism.

Rabbi Kaiman is a member of the second cohort of Clergy Leadership Incubator, a project of Rabbis Without Borders. He believes deeply in a vibrant future for our rapidly changing Jewish community. One of his great joys is the work of turning this belief into reality together with his community.

His other great joy is his family. Rabbi Kaiman and his wife, Emily are graduates of the University of Florida. They have four young children who love to play at shul and hope that your children come to join them.

Rabbi Kaiman is now the Rabbi of Congregation Shearith Israel, in Atlanta GA. He values being accessible to the congregation and to all those seeking a deeper connection to Judaism. He can be reached at [rabbikaiman@shearithisrael.com](mailto:rabbikaiman@shearithisrael.com). His direct line is 404-503-9910, and his cell phone is 404-913-6578

**Rabbi Hillel Konigsburg** grew up in Hollywood, Florida. His father is a Conservative Rabbi and his mother is a Jewish Educator. Therefore, it wasn't a stretch that Hillel attended a Jewish Day School K-12, as well as many USY and Ramah programs. Wanting to continue his Jewish Education, Hillel decided to go to Albert A. List College, the joint undergraduate program between JTS and Columbia University. Hillel received his BA in Sociology from Columbia and a BA in Jewish History from JTS. During his sociology classes at List, Hillel recognized how his Jewish experience had been shaped by sociological questions about religion and ritual and decided to attend Rabbinical School at JTS while working towards a MA in Jewish Education. The guiding questions of Hillel's rabbinate are “what turns people on and off from Judaism and how can Jewish leaders teach Judaism in ways that are appropriate for modern individuals?”

Generally, Hillel enjoys making people smile and learning new things. Along with his wife, Sarah, he likes jogging, hiking, museums, playing board games, and solving puzzles. Additionally, Hillel is an avid Sci-Fi and Fantasy fan. Other favorite topics of discussion are Jewish education and how it relates to gender, race, tuition, technology, and online learning. In addition to discussing education at large, Hillel likes to discuss sociology and astronomy, and the benefits of Ramah and USY.

Hillel's wife, Sarah, enjoys reading, theater, hiking, and being outdoors.

Rabbi Konigsburg is now the Assistant Rabbi at Congregation B’nai Torah in Atlanta. He can be reached at 404-257-0537 or [rabbik@bnaitorah.org](mailto:rabbik@bnaitorah.org)
