Leadership Development Institute (LDI) at Camp Ramah Darom

Gesher=YOU! You take the drivers seat and plan your own experience and programs in Gesher LDI. With guidance from your counselors you will gain the skills necessary to develop and execute programs, work on team projects, and make your ideas come to life. The only limit is your imagination.

Gesher=Leadership! Grow as a leader, political advocate, and community change-agent through participation in powerful training and real-life experiences. Build on skills you developed in Nivonim University in a Gesher Apprenticeship, and start sharing those skills as you begin to mentor younger campers. Become familiar with many different aspects of camp and prepare to serve as future camp staff through the Counselors-In-Training (CIT) program.

Gesher=Road Trips! Set out on a 10-day bus trip along the East Coast! Along the way, spend time touring several cities (including Washington, DC and Philadelphia, PA) and stopping off at attractions. And, spend Shabbat at Camp Ramah in the Poconos.

"There is no way to put into words how much I learned, experienced and grew during my Gesher summer. This was the best summer of my life."

-Gesher Alumnus

Gesher=College Choices! Advance your college choice process to the next level. The Gesher Road Trip will take you to visit college campuses in North Carolina, Washington DC, Maryland, and Pennsylvania. Professionals from the Hillel International Center will challenge you to think critically about your college preferences.

Gesher=Israel Advocacy & Activism!

Learn about the formation of the State of Israel and the documents at the centerpiece of all discussions regarding peace in the Middle East. Hear from professionals, in Washington, DC, at AIPAC (the American Israel Public Affairs Committee) and put this knowledge and training into practice by lobbying on behalf of Israel in meetings with legislators and legislative aides on Capital Hill.

Gesher=Adventure Challenge! Push yourself beyond your comfort zone. On the *Etgar* adventure challenge trip, you will go hiking, biking, and participate in a challenge course with mud obstacles.

Gesher=all this + more! Get ready for the Gesher video, social service projects, strengthening friendships, and so much more!

Don't miss out on this once in a lifetime opportunity to celebrate your last year as a camper at Camp Ramah Darom and prepare for your future.
