Bruchim Ha'bayim, Welcome to Ramah Darom!

When I was a child I spent several years at Jewish summer camp, a place that was filled with meaning and love. Every year when I would come home it would take a long while to acclimate being back in real life. I remember thinking, "Why do they keep calling our chadar a dining room? Why am I sleeping alone instead of with 18 other people?" and wishing that my family could relate to the homesick feeling I had when away from camp. Winter Break Family Camp is the chance to tap into the alternate universe that camp creates, where fun and games are the "work" of your day, new acquaintances immediately become family, and Judaism is felt and experienced in a warm and radically welcoming environment. I am so happy to welcome you to the Winter Break Family Camp family. Please know that Ramah Darom is your home now and always.

Eliana Leader

Director, KMRC

Kaplan Mitchell Retreat Center at Ramah Darom

Shalom, Winter Break Family Campers!

As the Program Coordinator for the Ramah Darom Retreat Center, I am excited to welcome you to Winter Break Family Camp at Ramah Darom. This program book includes all the information you need to ensure a fun and meaningful vacation for you and your family. We are so excited you are here and are looking forward to sharing five fun-filled days of laughter, games, learning, and connecting. We hope you have the opportunity to do something you love, connect with old friends, try something for the first time and meet new people. If you have any questions during the retreat about the program schedule, kids program or logistics, I or one of our Ramah Darom team members will be happy to help you.

I look forward to celebrating with you as we ring in the New Year!

Emily Kaiman

Program Coordinator, KMRC

Kaplan Mitchell Retreat Center at Ramah Darom

שלום

Winter Break Camp "A" to "Z"

Accessibility

All of our recreational buildings are wheelchair/handicap accessible. If you have difficulty walking, please see a Ramah Darom staff member to discuss accommodations. Please note, we are not able to rent out golf carts to individuals and families.

Alcohol

Alcohol may only be consumed by adults 21 years of age and older. To maintain our standards of Kashrut, we ask that you do not bring your own alcoholic beverages into the Dining Room.

Boxed Lunches

Boxed lunches will be available for you to take on your check-out day.

Business Center

There is full Wi-Fi access in every building on campus, however there are times that our breathtaking mountain terrain might pose some challenges to this connection. Guests are welcome to use our computers, printer, and copier at any time in our Business Center located in the Welcome Center. If you require a private space to work, our staff will be happy to help you find what you need.

Candlelighting

We will provide Shabbat candles for candle lighting in the Dining Room. You may not light candles in your room!

Cars and Parking

The speed limit on campus is 5mph. Guests are asked not to use their vehicles to travel around campus. Guests may park only in approved parking locations. It is extremely important to only park in designated parking areas to ensure our maintenance and facilities team can access all areas of our campus.

Cell Phone Use

Cell phone signals can be spotty. We suggest enabling your Wi-Fi calling if your phone has this feature. If you find a good spot, stay put!

Check-In and Check-Out

Check-in starts on December 27th at 1:00pm. Check-out is no later than 11:30am on Monday, January 1st.

Children's Camp/Youth Programming

Supervised youth programming will be offered daily by professional educators and experienced counselors.

A daily camp schedule can be found in this program book. Please encourage your children to join us in all camp activities. There is a mandatory meeting for parents at the start of the program so that everyone understands drop-off and pick-up procedures, and to ensure the safety of all our campers.

Clothing

Our atmosphere is casual. For Shabbat we recommend bringing dressier attire. Temperatures can drop quickly in the evenings and early mornings, so we do suggest layering your clothes. Bring comfortable shoes, and rain gear just in case!

Drinking Water

All water on our property is underground mountain spring water - great for drinking!

Driving Directions

Online mapping and navigation systems can be inaccurate in the mountains. If you intend to go off campus during your stay, please refer to the driving directions in your Welcome Packet.

Electronics

Family Camp is a great time to take a break from electronics. While camp is a safe environment, please be aware that individual cabins do not lock. Campers will not be permitted to bring electronics to group time each day. We encourage everyone to enjoy the community by using earphones and game-playing devices only in their rooms.

Emergencies/Illness

In the event of an emergency, call 911 or 7-911 from a land line. Be prepared to state the nature of the problem and your location (70 Darom Lane, Clayton, Georgia 30525). Please also dial #9300 internally or (706) 782-9300 to reach our receptionist who will help notify a staff member of the situation. From Midnight-7:00am your call will be routed to our answering service who will notify the appropriate Ramah Darom Staff.

For minor medical issues, first aid kits are available at the Welcome Center Reception Desk, in the Marcus Lodge Hotel community room (ground floor), in the Mountainside Retreat Hotel kitchenette (lower level), in the Lakeside Hotel sitting room (lower level), and in the Main Dining Room.

We will have a Nurse Practitioner on staff available after breakfast, in the afternoon, and for emergencies. The Mini-Marp (Infirmary) is located on the lower level of the Levine Center. Please see the schedule for daily hours.

Food

We are a kosher campus. Please help us maintain our kashrut. All your meals, snacks, and beverages are provided. Outside food is not allowed in the Dining Room.

For our guests with special dietary needs, please confirm your dietary restrictions when you check in. All special dietary food needs will be served from just inside the prep area of the kitchen.

Gym

The gym is equipped with bikes, treadmills, elliptical, bench press benches, cross fit equipment, multi-purpose weight machine, medicine balls, gym bands, and yoga mats. For safety reasons, only guests over the age of 16 are welcome to use our gym, located on the ground floor of the Levine Center.

Heated Accommodations

All accommodations are heated. Each cabin building has a thermostat located in the common entryway that controls all cabins within the building. Please be mindful of your neighbors' needs if you change the setting of the thermostat.

Housekeeping

Cabin guests have access to clean towels outside of their bathrooms. If you need an extra set of sheets, please request sheets from the Welcome Center Desk.

If your cabin trash is full, please note that there are large trash bins located outside every cabin building where you can empty your trash.

Lost and Found

The 'Lost and Found' table is located next to the stage in the Main Dining Room. Please be sure to leave found items or check for lost items at this location.

Meals Times

At lunch and dinner, approximately halfway through the meal, the Mountainside and Lakeside "Kid Zones" (located in side dining rooms) will be open. These "children's rooms" will be a supervised area for kids who have finished eating to hang out and play. There will be some toys and games available and you may also add your own (please label them so they can be returned to you).

At Shabbat dinner, Kiddush will be recited aloud for the community; the buffet line will open thereafter. At all other meal times, ritual items will be provided per table as needed.

Prayers

All participants are welcome to join in daily prayer services. Times are listed in the Program Book. Our services are run as traditional egalitarian services. On Shabbat we are also happy to offer tot-Shabbat services to serve the diverse needs of our guests.

Room Keys

Hotel room keys are available upon request. Keys must be returned to the Reception Desk prior to check-out or a charge of \$50 will be assessed.

Running/Walking Off Property

If you intend to run or walk on the road outside of our property, please be aware that there are dogs in the area that might not be as friendly as we are at Ramah Darom!

Shabbat

Shabbat at Camp is also a special opportunity to unplug from our phones and other devices so we can connect with family, new friends, and nature. Out of respect for this value and our community, we ask that guests refrain from using electronics in public spaces during Shabbat. In case of emergency, phones are available in all rooms and throughout the campus.

Smoking

Smoking is not allowed inside any building. There is a designated smoking area on the back porch outside of the Mountainside Dining Hall. A fee will be assessed to rooms or areas showing evidence of smoking or smoke damage.

Supervision

When your children are with their counselors during group time they will be fully supervised by the counselors and given a full camp program. At other times, such as family time and meals, parents are responsible for the supervision of their children.

During the evening adult activities, counselors will be assigned to central spaces in the hotel and cabin areas to listen for children who wake up or need something. Counselors are there to respond to needs that arise but are not available to supervise bedtime. One counselor will always be available to get a parent if necessary, and every location will have a walkie talkie to stay in communication. However, please note that each family will not have its own individual babysitter. If you wish to participate in Shmira (Night Listening) you must fill out the Shmira Agreement and return it to us at registration.

Telephones

Guests can be reached through our Welcome Center Desk at 706-782-9300. Telephones are located in cabins and hotel rooms for your use. To call a hotel room or cabin from a campus phone, dial the four-digit extension for the room you are trying to reach.

Extension numbers are located on a sheet in the drawer of the side table in the hotel rooms or next to the phone in the cabins. Cabin phones are for emergency or on-campus calls only. To call outside of campus from other campus phones dial 7 for a dial tone. Local 706 area code calls and 800 calls can be dialed directly. Other long-distance calls require a calling card.

Valuables

Ramah Darom is not responsible for any missing or lost items. If you are uncomfortable leaving valuables in your room, please leave them locked in your car (at your own risk).

Wireless Access

Wireless internet service is available throughout the facility via RetreatGuestWIFI. If you are having any issues connecting to the internet, please call the customer support line at 1.800.257.6290 (no calling card required).

2:00pm-2:50pm	CIT Time	Gan, Art, or Sport

Climbing Tower, Giant Swing & High Ropes

Alpine Tower: A remarkable high ropes course adventure constructed on a series of vertical towers, providing an unforgettable outdoor climbing experience. Challenge yourself!

Odyssey High Ropes Course: A team-building-focused high ropes obstacle course. This two-level course is built to allow teams to accomplish goals 20 and 40 feet off the ground. After successfully navigating the course, the team celebrates their accomplishment by flying to the ground on a zip-line.

Giant Swing: Teammates pull on a rope that raises you up to 26 meters in height. When you pull the cord the massive cables take hold and swing you out in a pendulum swing. Suitable for a wide range of participants who can choose the height from which they wish to swing.

Meet the Rabbis-In- Residence

Rabbi Joshua Hearshen

Even as a child growing up in suburban Detroit, MI, Rabbi Josh Hearshen knew that he wanted to become a rabbi. Rabbi Hearshen credits a committed Jewish upbringing and his Sunday school teacher, Morton Wolin ל"ר, for placing him on the path of the rabbinate. Rabbi Hearshen enjoys teaching concepts in new and unique ways that grabs people's attention and keeps them active. He played a central role in bringing young adults, young families and teens into synagogue life through his innovative programming and his personal connections with all the members of his community. He has been recognized for excellence in education by the Bureau of Jewish Education in Los Angeles, CA and with the national Grinspoon-Steinhardt Award.

Rabbi Hearshen strives every day to inspire, engage and expand community. A community prays together, socializes together, enjoys life together, learns together, and longs to be together when apart.

Rabbi Hearshen has a BA in Social Relations from Michigan State University, an MA in Rabbinic Studies from the University of Judaism and Rabbinic Ordination from the University of Judaism. He is the co-author with Rabbi Elliot Dorff of a paper on Violent and Misogynistic Video Games which was approved and published by the Committee on Jewish Law and Standards in 2010. Rabbi Hearshen spent three years (2007 - 2010) in Mercer Island, WA at Herzl Ner-Tamid as the Assistant Rabbi and three years (2010 - 2013) in Syosset, NY at Midway Jewish Center as the Associate Rabbi.

He is married to Carrie Hearshen, who he met in college. Carrie is an accomplished Jewish educator who spent three years writing educational materials for Torah Aura Productions in Los Angeles, CA. Rabbi Hearshen and Carrie welcomed their daughter Ayelet into the world in 2008 and they are enjoying learning the ropes of parenthood. In his spare time Rabbi Hearshen will be found reading (comic books are a favorite), playing hockey, cooking, rooting for Detroit sports teams or practicing magic.

Rabbi David Paskin

David Paskin, or Rabbi David as he is known, is an accomplished spiritual leader, singer/songwriter, entertainer, Jewish futurist, social activist, award-winning Jewish educator and founding rabbi of OHEL. Prior to moving to Florida, David served as the rabbi and spiritual leader of Temple Beth Abraham in Canton, Massachusetts for seventeen years. David currently serves the Palm Beach and Broward county Jewish communities as a spiritual leader and teacher while spending his summers as Rosh Musica (Music Director) at Camp Ramah Darom in Georgia.

A graduate of Brandeis University (1993) and the Academy for Jewish Religion (2002), David has been working in the Jewish world for over two decades teaching at various religious schools, day schools, and camps around the country. In the Boston area, David has served as Music and Judaics Director of Grossman Camp, as Judaic Studies Coordinator of the Rashi School of Greater Boston and as co-head of school at Kehillah Schechter Academy.

David has taught and performed at a number of conferences including the Shefa Biennial, and USY International Convention. His presentations have focused on prayer and spirituality, Jewish music, and formal and informal Jewish education.

David is a blogger for the Times of Israel and the World Wide Reblog and is a proud contributor to Not By Might: Channeling the Power of Faith to End Gun Violence. David's first book, The Search for the Sacred was published in the summer of 2016.

Thank You To Everyone Who Made This Program Possible!

Our program would not be possible without the hard work and dedication of our counselors and staff. We are so grateful to have them as a part of the team!
