## Dear Guests,

Welcome to Passover 5777 at Ramah Darom! We're so glad you're here.

This program book includes all the information you need to ensure a relaxing and meaningful stay.

If you are joining us for the first time, we hope this book answers many of your questions. While it's difficult to capture the warm, engaging spirit of our community on paper, these pages will give you a sense of what's in store.

We thank the entire Ramah Darom team for building such an inspirational, creative and diverse program. This special annual retreat demonstrates the vision our founders and board members had of offering year-round Jewish experiential living and learning programs.

Let us know if there is anything we can do to help you enjoy your stay. If you need assistance, please visit our Concierge Window on the lower level of the Levine Center or our Reception Desk in the Welcome Center, or locate one of the Ramah Darom staff members.

We hope you have a wonderful holiday!

## AN OVERVIEW OF YOUR PASSOVER VACATION

Ramah Darom's warm, relaxed Passover community draws guests over multiple generations from across the country and internationally, and includes singles, couples, families, young children, empty nesters, college students, and grandparents alike. We welcome new participants every year with open arms, and are delighted to reunite with friends we see each year who have become extended family.

Throughout the first day, you will have the chance to familiarize yourself with the campus while we offer some basic programming. All meals are served in our Dining Hall, located on the upper level of the Levine Center, the hub of our campus. The Levine Center also houses our synagogue, multi-purpose room, library, gym and Concierge Window.

Yom Tov at Ramah Darom is a special time, with services, discussions, meditations, hikes and more. Some people choose to dress up for Yom Tov. Generally we encourage everyone to dress and participate as they feel comfortable - our daily dress code is casual. If the terrain is too challenging for you to walk, feel free to ride our campus shuttles, which run daily from 7:45am until 11:00pm (midnight on Seder nights). These shuttles will be available throughout your stay.

On Seder nights we provide "A Different Night" Haggadah for each guest, and of course each table is set with Seder plates, ritual items and Kiddush cups. We also provide small affikomen gifts for children of 12 and under. Those choosing semi-private Seders may conduct their Seder at their own pace.

Throughout the holiday, our schedule includes activities for all levels of experience and knowledge, facilitated by our helpful, friendly faculty and staff. We'll have engaging discussions, children's activities, sports and games, including guest favorites like pick-up basketball, Mah Jongg, Scrabble and Poker. On Chol Hamoed, in addition to group excursions, we will enjoy art projects, climbing, boating, movies, bonfires, and so much more. Daily, our team of chefs will create spectacular, mouthwatering buffets and offer outstanding, personalized service.

Most importantly, don't worry about a thing. Our staff is ready to assist you.

We look forward to a wonderful holiday experience together!

# PASSOVER FROM "A" TO "Z"

**Accessibility:** All of our recreational buildings are wheelchair/handicap accessible. Shuttles will run daily throughout campus with continued service between 7:45am and 11:00pm. Shuttle stops, with chairs, are located at several clearly-marked locations throughout the campus. Please note the wait time for a shuttle can be anywhere up to 20 or 30 minutes.

**Airport Transfers:** Transport from Ramah Darom to the airport will depart promptly from the Welcome Center. Luggage must be placed at the Luggage Drop located in your cabin or outside your hotel door by 7:00am. Guests must arrive 30 minutes prior to bus departure time to check luggage onto the bus – not arriving at that time delays those passengers who have early return flights. Travel time between Ramah Darom and the airport is 2 to 2.5 hours depending on traffic. If you have any questions or concerns about your travel, the Concierge is available to help.

## **Transportation Schedule from Ramah Darom to the Airport:**

- Friday, April 14th: Bus departs from Ramah Darom at 9:00am SHARP
- Wednesday, April 19th: Bus departs from Ramah Darom at 9:00am SHARP.

**Babysitting:** This year we are pleased to offer babysitting for every night of your stay.

We offer group babysitting for children ages 0 - 8 during the two Seders for those who have registered in advance. Babysitting will be held in the library on the ground level of the Levine Center. Parents must bring their children to the babysitters in the room, ensure they have been signed in, and must pick-up their child and ensure the babysitter signs them out. Toys and sleeping mats will be available. Babysitters will have a list of the names of the children that have been signed up for babysitting as well as the table number of the parents for both Seder nights. Drop-ins will incur an additional charge, and be added to your final bill.

Private nightly babysitting will be available to families on non-seder nights in your cabin or hotel. You may pre-register for all nights of babysitting or choose selected nights. You can sign up or add additional nights of babysitting at our Concierge Window (per availability). Refunds will only be given for cancellations made at least 24 hours in advance.

**Boxed Lunches:** For guests going on our chol ha'moed excursions boxed lunches or snacks and bottled water will be provided for you. For guests going on their own day trips or departing during Passover, preordered boxed lunches will be ready and waiting in the kitchen on the requested day. If you need boxed meals and did not preorder, please place your order by 10:00am the day before at the Concierge Window. There is no charge for these boxed meals.

**Business Center:** We understand many of our guests must stay connected with the outside world during their stay. We do ask that you be respectful of other guests' observances during Yom Tov and Shabbat and conduct your business in a private area. There is full Wi-Fi access in every building on campus, however there are times that our breathtaking mountain terrain might pose some challenges to this connection. Guests are welcome to use our computers, printer, and copier at any time in our Business Center located in the Welcome Center. If you require a private space to work our staff will be happy help you find what you need.

**Candlelighting:** We will provide Shabbat and Yom Tov candles for Candlelighting in the Dining Room. Our daily schedule will include Candlelighting times. You may not light candles in your room!

**Cars and Parking:** The speed limit on campus is 5mph.

For everyone's security all cars belonging to guests must have a completed hanging mirror tag with your last name and room number prominently displayed. The parking tags will be provided for you at check-in. Guests are asked not to use their vehicles to travel around campus.

Guests may park in the parking location designated on your parking tag. Please park only in approved parking locations. **It is extremely important to only park in designated parking areas to ensure smooth operation of our shuttle bus through the various roads around campus.** Buses cannot turn around if cars are parked in non-designated areas. We will not be responsible for any damage caused to cars parked in illegal spaces.

**Cell phone use:** Cell phone signals can be spotty. We suggest enabling your WiFi calling if your phone has this feature. If you find a good spot, stay put!

Check-Out for all guests is no later than 10 am on your departure day. Please note: Due to time constraints and respect for other guests we will not be able to wait for stragglers. Please check the daily schedule for specific departure times. Refunds will not be available if guests miss the bus.

*Boxed lunches or snacks and water will be sent on all excursions.*

**Food:** We are a kosher campus. Please help us maintain our Passover kashrut. All your meals, snacks and beverages are provided. Outside food is not allowed on campus.

*For our guests with special dietary needs, please confirm your dietary restrictions when you check in. All special dietary food needs will be served from just inside the prep area of the kitchen.*

**Kitniyot:** Options and Guidelines: Under the guidance of Rabbi Joel Roth, our Rav Ha-Machshir, we have worked to set in place a system that both respects the tradition of many of our community members, while also catering to the specific needs of others. For additional resources or questions, please see Rabbi Daniel Greyber, our on-site Mashgiach, or Rabbi Joel Roth.

**Protocol for how kitniyot is prepared and served:**

- 1) All kitniyot will originate from products packaged and labeled as Kosher for Passover from a recognized kashrut agency.
- 2) All kitniyot dishes will be clearly marked and served separately, from just inside the prep area of the kitchen, where all special dietary food needs are available.
- 3) Please note, presence of kitniyot, even within a cooked food, does not render as hametz—either the prepared food itself or the utensils to prepare it, serve it, or eat it. Nevertheless, to accommodate the full and diverse range of our Passover guests, all dishes containing kitniyot will be separately prepared and cooked in our supervised kitchen.

**Games and Sports Equipment:** Sports equipment is readily available throughout campus for your enjoyment. Tennis rackets and tennis balls, as well as board games, can be checked out from the Concierge Window. All checked out items must be returned to the Concierge Window in the original condition, or charges for replacements will be assessed.

For safety reasons, only guests over the age of 16 are welcome to use our gym, located on the ground floor of the Levine Center.

You will receive a notice the day before departure with times and information. Luggage will not be loaded onto the bus until it is identified by its owner. You will need to be at the bus 30 minutes before departure time to ensure that all of your luggage is there, and to give approval to have it loaded onto the bus. The buses will be located at the Welcome Center and will leave camp sharply at the stated times.

**Spa Services:** Two female massage therapists and a facialist will be available all week; appointments can be made at check-in and throughout the week at the Concierge Window. This year, in an effort to create a space where all our guests will feel comfortable, we will be creating a small separate seating area for those whos custom it is to daven in a mechitza minyan. On Yom Tov and Shabbat we are also happy to offer both family services and alternative services to serve the diverse spiritual needs of our guests

**Room Keys:** Hotel room keys are available upon request. Keys must be returned to the Reception Desk prior to check-out or a charge of \$50 will be assessed.

**Running/Walking off property:** If you intend to run or walk on the road outside of our property, please be aware that there are dogs in the area that might not be as friendly as we at Ramah Darom are!
