Inclusion Support

For campers with autism spectrum disorder, intellectual disability, physical disabilities, ADHD, anxiety disorders

Traditional Cabin Placement
Cabin counselors receive additional training and supervision to facilitate inclusion and to provide supports

Support available in all aspects of the Camp experience
Campers participate in all aspects of the Camp program
Plan developed to determine the specific needs of each camper in areas such as:
- Social
- Organization
- Sensory
- Impulsivity
- Self-Care
- Transitions

Support from inclusion counselor or specialist for portions of the day as needed
