

Tikvah Support Cabin

3-5 campers per cabin

2-4 counselors per cabin
(depending on support level)

Unique features of Support Cabins:

- Air conditioning
- Sensory break room
- Screened porch with rocking chairs
- Common area equipped with games that encourage small group social facilitation

Support available in all aspects of the Camp experience

Plan developed to determine the specific needs of each camper

Campers participate in all aspects of the Camp program

Counselors receive extra training and supervision to support campers with disabilities such as autism spectrum disorder and intellectual disabilities
