

Drawing I: Shading with Judy Robkin

You can draw and I'll show you how! Relaxing and meditative, drawing is a great hobby to discover. We'll start with shading which is the secret to any good drawing.

Below is a list of supplies for the class, some of which you might need order. (Remember, Amazon is slower than usual these days.) Along with your supplies, please print out and bring the attached worksheet with you to class.

Supply List

1. Any **sketch pad** that is at least 8 1/2"x11. Copy paper will work as well
2. **Pencils:** For this class it would be good to have at least 2H, HB, 2B, and 4B
