FULL VACATION: Friday, March 26 – Monday, April 5, 2021

ACCOMMODATION DESCRIPTIONS

Cottages: Our most luxurious accommodations! Beautiful studio-style houses with a kitchenette, private patio, bathroom with walk-in shower, and king-sized bed. Four 1-bedroom cottages are available, and there is one 2-bedroom cottage available. The 2-bedroom can be reserved as either two single adult rooms, one single and one double adult, or two double adults.

Deluxe Hotel Rooms: Bright, oversized rooms with relaxing, communal lobby and upgraded amenities. Rooms feature 1 king or 2 queen beds, table & chairs, bureau and private bath (some walk-in, most are deluxe size bathtub showers). These sell out fast! We have two deluxe hotel buildings, The Welcome Center (WC) and Lakeside Hotel (LS). Those with physical disabilities and mobility issues will be given priority in the Welcome Center. Each room is priced per adult occupancy. Families of up to 4 people will be housed in one hotel room with 2 queen beds. If a family of 5 or more paying guests would like an adjacent room for their children, each parent will be charged at a Single Adult Occupancy rate.

Standard Hotel Rooms: Comfortable, private rooms, each with 2 queen or full beds, table & chairs, bureau, and private bathtub shower with standard amenities. We have two standard hotel buildings, Marcus Lodge (ML) and Mountainside Hotel (MSH), both located on the mountainside. Families of up to 4 people will be housed in one hotel room with 2 queen beds. If a family of 5 or more paying guests would like an adjacent room for their children, each parent will be charged at a Single Adult Occupancy rate.

Deluxe Cabin: Only four of these are available, in our newest cabin building and fully ADA accessible with 1 private room, 1 main room with 4 bunk beds, and a private bathroom area with walk-in shower(s). This building is located on the mountainside. These cabins are available for parties of 2 adults and 1 child or more.

Single Family Cabin: These cabins are separated by a sliding wall and are available on the lakeside, 1 private room, 1 main room with 4 bunk beds, and a private bathroom area with walk-in showers per cabin. These cabins are available for parties of 2 adults and 1 child or more.
