Shalom Limmud Community,

We are thrilled to welcome you to LimmudFest at Ramah Darom 2023!

Ramah Darom inspires a lifelong love of Jewish values, tradition and community by bringing people together for exceptional, immersive experiences in Jewish living and learning at every stage of life. Limmud Atlanta & Southeast's core values - learning, community and mutual responsibility, diversity, empowerment, participation, fostering connections and expanding Jewish horizons - make Limmud Atlanta & Southeast a natural partner for Ramah Darom and this meaningful long weekend of learning, lounging and laughing together. We hope that our Southern Hachnasat Orchim (hospitality) provides comfort and confidence to engage in new experiences and deep conversations.

We are so thankful to Heather Blake, Howie Slomka, Edward Queen, Hannah Henza and the entire Fest planning team for putting in many hours of hard work to make this event come to fruition.

Wishing you a wonderful LimmudFest!

Bringing people of all ages together for exceptional, immersive Jewish experiences

Welcome to LimmudFest 2023!

We are thrilled to have you join us for Limmud Atlanta & Southeast's festival of Jewish learning and living. For those who are unfamiliar, Limmud, founded in England in 1980, is an international movement committed to bringing Jews of all backgrounds and affiliations into a process of shared learning and teaching. LimmudFest has grown into the largest residential Limmud event in the U.S.!

Built on the belief that Jewish life is too important to be left exclusively to professionals, Limmud depends on volunteers, or in Limmud-speak "volunticipants", to make LimmudFest happen. By being here, you are now one. All of us together learn, teach, fetch, build, organize and enjoy. It is only by doing so that LimmudFest happens, enabling us to spend Labor Day weekend absorbing and expounding Jewish traditions of learning (both old and new), renewing friendships and making new ones, while enjoying the glorious scenery.

So enjoy yourself, expand your knowledge, grow your circle of friends, volunteer at the Help Desk or help make a minyan. In everything you do this weekend, relish the fact that you are making LimmudFest happen. You are now a Limmudnik.

We could not have planned and implemented this wonderful weekend without many volunteers and partners. Please count YOURSELF among next year's volunteer team, and join us at our volunteer appreciation oneg before the gala on Sunday night. And a special and heartfelt word of thanks to our invaluable two-time Program Committee Chair Shai Robkin, who missed last year's event due to Covid and will miss this year's Fest due to a family simcha. That he planned this event knowing he could not attend demonstrates his selfless dedication to all that Limmud embraces.

Welcome to the movement.

B'Shalom,

Dear Friends,

LimmudFest is always a highlight of our year. This year, in particular, having more deeply integrated LimmudFest into the Limmud North America family of programs, we are excited to celebrate the hard work and dedication of the countless volunteers and lay leaders who have brought this year's retreat to fruition. To everyone who has given of their time and passion to make this program possible we say, "Yasher koach!"

Our sages taught that when two Jews learn together the Divine Presence dwells among them. How much more so does LimmudFest bring holiness into our world!

Limmud is dedicated to a simple premise: that by bringing Jews from diverse backgrounds together to learn from and with each other, we can break down barriers and build a more animated, more vibrant Jewish future. By attending LimmudFest, you are joining with tens of thousands of individuals from Boston to Seattle to Los Angeles and beyond who participate each year in our programs. We invite you to learn more about upcoming national and local programs across the continent, in-person and virtual, as well as the Global Day of Jewish Learning, by visiting our website after LimmudFest.

Thank you for helping us to animate Jewish community across North America.

Learn on!

LIMMUD NORTH AMERICA MISSION & VALUES

Limmud's mission is to animate and re-imagine Jewish community. We create experiences that connect Jews of all backgrounds with transformative learning and each other. We believe in empowering individuals to build a vibrant future for the Jewish People.

LEARNING

- Everyone should be a student and anyone can be a teacher.
- Learning embraces personal development, knowledge and skills.
- Learning changes people, inspires action, and opens new worlds.
- We encourage the creation of a learning environment in which people are able to reflect and grow.
- There are many inspirations that can offer opportunities for learning.

EXPANDING JEWISH HORIZONS

- We strive to create individual, collective and communal experiences, through which we strengthen and develop our Jewish identity.

ENABLING CONNECTIONS

- We aim to create opportunities for communities and individuals to connect.
- We recognize the strength of providing a space where spiritual, emotional and intellectual connections are made.

PARTICIPATION

- Volunteerism is a key feature of almost everything we do.
- We are all responsible for each other and for the communities we create – everyone has an important contribution to make.
- We encourage participants to take an active part in all we do.

EMPOWERMENT

- We inspire people to be ambitious about their contributions.
- We challenge people and trust them to rise to that challenge.
- We see the potential of individuals and communities and support their development.
- We empower people to make choices and provide the information they need to inform those choices (including in the biographies which we ask presenters to provide).

DIVERSITY

- We value the rich diversity among Jews, and so we seek to create cross-communal and intergenerational experiences.
- We value inclusivity and aim to be accessible to all.
- We value choice in form, content and style in our programs.
- We oppose stereotyping others.

COMMUNITY AND MUTUAL RESPONSIBILITY

- Limmud is a community of learning.
- We can achieve more together than we can individually.
- We gain from, and should give something back to, the Jewish and wider community.

RESPECT

- No-one is more important than anyone else.
- We expect all participants to be respectful of one another, and to recognize that all volunteers are also participants.
- Personal attacks are unacceptable in any Limmud context, especially within sessions at events.

ARGUMENTS FOR THE SAKE OF HEAVEN

- We recognize and appreciate that "arguments for the sake of heaven" can make a positive contribution to furthering our education and understanding.
- We do not participate in legitimizing or de-legitimizing any religious or political position found in the worldwide Jewish community. Anyone coming to Limmud seeking opportunities for this will not find them. We have no part to play in the debates between/across denominations.
- Sessions which encourage vigorous debate are entirely acceptable, but we will seek to avoid religious or political conflict.
- Sessions should be educational, and not polemical.

RELIGIOUS OBSERVANCE

- Shabbat and kashrut are observed in all public areas.
- We recognize that in private areas, people will behave as they wish.

Top 15 Things to Know

LimmudFest at Ramah Darom 2023

1. Accessibility: All recreational buildings are wheelchair/handicap accessible. On Shabbat, the elevator in the Levine Center will operate in 'Shabbat mode' and will run automatically.

A shuttle will run daily throughout campus to serve those who need assistance between 8:00am and 11:00pm. Children may not be on a shuttle without a guardian or adult supervision. Shuttle stops with seating are located at several marked locations. For safety concerns, there is a low-speed limit on campus. Guests are constantly embarking and disembarking from the shuttles, so the wait time for a shuttle can be up to 30 minutes.

2. Attire: Our atmosphere is casual. For Shabbat, you may prefer to bring dressier attire. No matter the day of the week, comfortable walking shoes are a must! The weather can be unpredictable in the mountains and temperatures can drop quickly in the evenings and early mornings. It is helpful to have layers of clothing and a raincoat with you. Most importantly, stay comfortable and wear what feels right to you!

3. Drinking Water: All water on our property is underground mountain spring water—great for drinking!

4. Emergencies: In an emergency, call 911 from your mobile device or any phone on campus. Be prepared to state the nature of the problem and your location (70 Darom Lane, Clayton, Georgia 30525). Also, please notify a staff member of the situation by calling 706.782.9300.

There are landlines in the Welcome Center office, at the pool, in the kitchen and in all living spaces. Note that the hospital in Clayton is about 25 minutes away.

5. Fitness Center: Ramah Darom's Fitness Center is located on the ground floor of the Levine Center and is open to all participants ages 18 and up. Teens 15-17 are also welcome with adult supervision. Please do not remove equipment from the Fitness Center.

6. Help Desk: The Help Desk is located on the second level of the Levine Center inside the Chadar Ochel (Dining Hall). This is where you can report maintenance issues, see updates to the schedule, get directions, sign-up for volunteer slots and access a first aid kit. The Desk is open daily from 8:00am-11:00pm with adjusted hours on arrival and departure days.

7. Maintenance Requests: Please report maintenance requests to RamahDarom.org/Maintenance. Facility staff are always on call. Please avoid submitting requests before 7:30am or after 9:00pm unless it is an emergency.

8. Meals, Snacks & Beverages: We are an AKC-Certified kosher campus. Please help us maintain our kashrut. All meals, snacks and beverages are provided. Outside food is not allowed in the Chadar Ochel (Dining Hall). Here are a few important pieces of information:

- Every lunch and dinner will begin with a communal moment of blessing and conclude with gratitude options at designated tables.
- All special dietary food needs will be served from the kitchen prep area.
- Please avoid leaving a single seat between you and the next person to fit all guests in the dining room.
- We encourage you to sit with new people at each meal!

9. Phone Service: Cell phone signals on campus can be spotty, so we suggest enabling Wi-Fi calling on your phone. If you find a good spot, stay put! All hotel rooms and cabin buildings also have a landline phone, and you can make free calls to anywhere in the US and most of Canada from these phones. To call another location on campus, dial the four-digit extension for the room or location you are trying to reach; each location has the extension number posted next to the phone. If someone off-campus wants to reach your room or cabin, they can call 706.782.9300 and enter your room's four-digit extension when prompted.

10. Wireless Internet Service: You can access WiFi throughout the facility via "Ramah Darom Wi-Fi" (no password). If you have any issues connecting to the internet, try turning your device's Wi-Fi off and back on, then try reconnecting. If you still have connectivity issues, contact the Bridge Communications Help Desk: 866-632-2717, hit 1 (for after-hours emergency support, hit 5), email support@bridge-comm.net, or inform a member of the Ramah Darom staff.

11. Shabbat & Tefillot (Prayers): All participants are invited to join in daily prayer services. Times and specifics are listed in the Daily Schedule. Please bring your own tallit, tefillin and kippot to wear if it is your custom.

Shabbat is a special time at LimmudFest. We are delighted to include a variety of service options and experiences over Shabbat. Out of respect for this value and our diverse community, we ask that guests refrain from using microphones, cell phones, cameras or computers in any public spaces during Shabbat. This request extends to the use of musical instruments except in select Limmud prayer services. For safety and security, some staff members will carry walkie-talkies. There will be Shabbat candles for individuals to light in the Chadar Ochel (Dining Hall) on Friday evening. Yahrzeit (memorial) candles are available upon request. Please do not light candles in your accommodations.

- 12. Sustainability:** LimmudFest Atlanta & Southeast is committed to creating a space that limits waste where possible! Please help us by:
- **Recycling:** The Welcome Center, Levine Center as well as various areas around campus will have clearly marked recycling bins. Please place recyclable items in the appropriate bins (i.e: paper, clean and dry plastic and glass, etc.).
 - **Avoid Food Waste:** Please enjoy the delicious meals presented during LimmudFest—and we remind you to take as much as you would like to eat, and eat what you take. (Keep an eye on the plates of the younger Limmudniks in your family as well!) We strive to keep food waste to a minimum.

13. Smoking, Illegal Substances & Firearms: Firearms, illegal substances and related paraphernalia are not permitted on campus. Smoking is not allowed inside any building. There is a designated smoking area outside on the back porch of the Chadar Ochel (Dining Hall) and in the Welcome Center parking lot. A fee will be assessed for rooms or areas showing evidence of smoking or smoke damage.

14. Valuables: Ramah Darom is not responsible for any missing or lost items. If you are staying in a hotel room and are uncomfortable leaving valuables in your room, keys are available with a refundable deposit.

15. Vehicles: The speed limit on campus is 5mph. Please only park in the approved parking locations near your accommodation. We ask that you leave your vehicle parked for the retreat duration. Guests are not permitted to drive through campus at any time.

Amy and Naomi will collaborate in leading this conversation, which will be more informal rather than a lecture, as this is our Shabbat workshop and will not include technology. Naomi will teach about the Jewish history of combining herbs with honey to make sweet medicine. She will explain how each of the herbs we are using have been enjoyed in historic Jewish communities - rose petals soaked in honey, for example, were a highly prized medicine across the Middle East during the Middle Ages, including in Jewish communities of those regions. Then participants will choose the herbs they wish to work with to make their own honey elixirs.		Ohel (Tent next to Levine Center)

The Naomi Rabkin Experience

Naomi Spector is LimmudFest's 2023 Chavayat (Experience) Naomi Rabkin Presenter

Naomi Rabkin, Z"l, exemplified the heart, ruach (spirit) and soul of Limmud Atlanta & Southeast in all her supportive roles as a participant, volunteer and our first Executive Director. Naomi inspired us to think boldly and helped us attract people doing the most cutting edge and interesting things in the Jewish world. She had a pulse on the rising community leaders, and she was able to entice them to come to Limmud Atlanta & Southeast. Food sustainability and food justice were among Naomi's true passions and that is how many of us met her. In 2007, before it was trendy, Naomi put Shearith Israel on the map as the first congregation in the Southeast to have a CSA (Community Supported Agriculture). She was the driving force behind Atlanta's first public space sukkah at the Oakhurst Community Garden, and when she and her family moved to San Diego, Naomi again left her mark by developing

a 67-acre farm for Leichtag Foundation, now a thriving vineyard, food forest and Jewish event space.

Inspired by Naomi's values, interests and innovative ideas, Limmud Atlanta & Southeast has created an annual LimmudFest presenter spot to carry on her legacy. Each year a presenter will be chosen by the LimmudFest programming committee based on Naomi's passions in food justice, local farm to table eating, sustainability, community building, music, reimagining ritual, Israel, feminism, women in leadership and immersive Jewish education. Realizing people are multi-dimensional with talents and knowledge, preference will be given to presenters who reflect more than one characteristic listed.

We are thrilled to invite Naomi Spector as our 2023 Chavayat Naomi Rabkin presenter! Naomi is an ethnoherbalist, plant historian and Jewish educator. In her roles here at LimmudFest 2023 she will kick off the weekend with a pre-Shabbat foraging walk (focused on plants with Judaic connections from which we will create havdala sachets), and then engage us in sessions dedicated to honey (along with her colleague and long-time Limmudnik Amy Price), Jewish flower teachings, and even an art class to learn about and create an amulet. We invite you to join a session and spend some time with Naomi at LimmudFest. In so doing, you will both experience and be a part of the continuation of our beloved Naomi Rabkin's spirit.

The Schoenbaum Shinshinim

The Schoenbaum Shinshinim are a cohort of recent Israeli high school graduates taking a gap year in Atlanta before their military service. Each year Shinshinim work to enhance Israel education in a number of Jewish organizations from Jewish day schools to synagogues to after-school programs to summer camps and more! If you want to learn more about the Shinshinim program or are interested in hosting a Shinshin in your home, visit www.jewishatlanta.org/shinshinim.

This year at LimmudFest we are lucky to have the Shinshinim leading a few sessions for adults, teens and youth. They will participate in many other ways throughout the weekend. LimmudFest is the 2023-2024 cohort's first "official" event in Atlanta, so please introduce yourself and help them feel welcome in our community.

YAD Program

Limmud Atlanta & Southeast's Young Adult Development Program

The YAD Program is an opportunity granted to a select group of Jewish young adults ages 22-30. It is inspired by the YAD program at Limmud UK. The purpose of this program is to support a committed and prepared generation of emerging young adult leaders who will strengthen the Atlanta Jewish community, not just through training and participation with Limmud but also by developing an understanding of Jewish organizations and personal leadership potential. Upon completion of the YAD program, these emerging leaders are well situated to support the creation of meaningful and enriching programs, as well as to develop deeper connections with local leaders and organizations.

This year's YAD Program Coordinator is Abby Graff. Our previous YAD Cohorts have yielded individuals poised to become the next generation of Jewish community leaders, and we look forward to great things from this year's participants as well. Get to know our YADs by reading about them below and by meeting them at LimmudFest.

Kaylin Berinhout is serving on the Sustainability Committee for LimmudFest 2023. While she is currently the Foundation Philanthropic Officer for the Atlanta Jewish Foundation, her previous experience includes working for Women of Earth Institute. There she worked

directly with a network of community leaders to globalize their film project and allocate impact capital for improved infrastructure for women's health and environmental stewardship in Brazil. Kaylin is a graduate of Georgia Tech who has lived in Atlanta for most of her life. In her free time, she enjoys volunteering locally with environmental non-profits and globally on various eco-farms, participating in Ma'alot events and exploring Atlanta on her bike.

Spencer Perdeck is the Atlanta Field Manager for OneTable, previously known for his challah business and teaching Sunday School at Shearith Israel. Spencer is also a proud Hillel Springboard Innovation Fellow Alum. Outside of work, he enjoys theater,

practicing yoga, trying new restaurants, walking Atlanta's Beltline, dancing and hosting Shabbat. Originally from Hollywood, FL, he moved to Atlanta 2 years ago because it simply felt right. He graduated from NYU Tisch with a degree in drama. Spencer is a resident of the Moishe House in Inman Park, hosting and creating meaningful community. He likes Brene Brown, candles, podcasts, documentaries and watching award shows.

Kelli Brody grew up in Michigan and has lived in Alpharetta for over 15 years, where she works at a healthcare staffing company. Outside of work, she enjoys spending time with her friends and her cats, as well as volunteering for organizations like Limmud and Birthright Israel. This will be Kelli's second time at Limmud. She is in the YAD program and serves as Marketing co-chair. Limmud was Kelli's first real introduction to Atlanta's Jewish community which has inspired her to get more involved in local community events. She is excited to volunteer for Limmud this year with many of the friends she met last year.

SAFETY & SECURITY

Ramah Darom has developed comprehensive safety and security protocols in consultation with the the Security Committee of our Board of Directors, the Secure Community Network and the Rabun County Sheriff's department. Highlighted below are key elements of our protocols. Please review this document with your family at the beginning of your stay.

Every building has an emergency exit plan posted and is equipped with fire extinguishers.
PLEASE MAKE NOTE OF EMERGENCY EXITS WHENEVER YOU ENTER A BUILDING.

The Sheriff's department has an on-site officer guarding our Clayton campus 24 hours/day throughout this retreat.

MEDICAL EMERGENCY

First aid kits and AEDs are available at the Welcome Center reception desk, the Marcus Lodge Hotel community room (ground floor), the Mountainside Retreat Hotel kitchenette (lower level), the Lakeside Hotel sitting room (bottom floor) and in the Main Dining Room.

In the Event of a Medical Emergency:

- IMMEDIATELY DIAL 911. Give location, sex and approximate age of victim and if possible, the type of emergency. Then dial 706.782.9300 from your cell phone or any campus phone and follow the prompts to alert a Ramah Darom staff person of your emergency.
- Stay with the injured person until help arrives. Try to calm, reassure and stabilize the person. Never move an injured person with a suspected neck or back injury.
- When medical staff arrives at the scene, summarize the situation and answer questions.

SEVERE WEATHER

Thunder and/or Lightning:

- Gather your family/group and move to a safe area (large indoor facility, bunk porch or common room) until the weather has passed.

Tornado Warning:

- Head immediately to one of the following designated emergency locations: Welcome Center Hotel lower level hallway, Marcus Lodge lower level community room, Mountainside Hotel lower level hallway, Levine Center lower level hallway and lower level common space of bunks 1/2 or 29/30.
- When at location, stay away from windows.
- Stay at designated emergency location until the "all clear" signal has been given over the emergency speakers.

FIRE

If You Spot a Fire:

- Leave the building and do not re-enter to remove personal property.
- IMMEDIATELY DIAL 911. Give location, and if possible, type of fire (grease, electrical, paper, etc.). Then dial 706.782.9300 from your cell phone or any campus phone and follow the prompts to alert a Ramah Darom staff person of your emergency. The office will sound the fire alarm throughout the campus.
- If a phone is not accessible, sound the closest fire alarm.
- If a campus-wide fire alarm is sounded, all guests should proceed immediately to the *kikar* (field in front of the Levine Center/Dining Hall) and remain there until the "all clear" signal has been given over the emergency speakers.
- If the fire occurs on or near the *kikar*, all guests should proceed to the *Beit Am* (covered basketball court).

ACTIVE SHOOTER

- EVACUATE if at all possible, leaving the area by the quickest route available. If necessary, leave the campus grounds. Leave your belongings behind.
- Call 911 as soon as it is safe to do so.
- If you are not able to evacuate, HIDE OUT in an area out of the active shooter's view. Block entry to your hiding place. If possible, lock the door. Silence your cell phone (including vibrate mode) and remain quiet.
- TAKE ACTION only as a last resort and only when your life is in imminent danger. Attempt to incapacitate the shooter. Act with physical aggression and throw items at the active shooter.
