

A vibrant, abstract illustration celebrating Passover. The top left features a large, stylized sun with orange and yellow segments. The background is a light blue sky. In the center, a large, light blue wave-like shape represents the sea. To the right, a brown, mountain-like shape is visible. The bottom of the image is filled with large, swirling waves in shades of blue and teal. Three pink, teardrop-shaped flowers are scattered across the scene: one in the sky, one on the brown mountain, and one on the teal waves. The text 'n09' is in the top right, '5784' is below it, 'PASSOVER 2024' is on the brown mountain, and 'RAMAH DAROM' is at the bottom center.

RAMAH DAROM

Bruchim Habaim, Welcome to Ramah Darom!

We are honored to gather this kehillah kedosha (holy community) for the 2024 Passover Retreat and hope each of you will feel welcome and right at home. Our time together is so much more than a holiday getaway; it is an opportunity for connection and growth. We are coming together during a challenging and complicated time for our people and throughout the retreat you will have the opportunity to attend a variety of sessions that reflect this moment. We hope that your experience at Ramah Darom this holiday provides a sense of unified Peoplehood as we explore the richness of our Jewish tradition through celebration, song, learning, prayer, delicious food and so much more.

This Program Guide has everything you need to know to make the most of your experience. Please read through it and bring it with you wherever you go. We are always happy to answer all questions.

We look forward to spending the Passover holiday with you. Chag Sameach!

PASSOVER RETREAT A-Z

Accessibility: All our recreational buildings are wheelchair/handicap accessible. On Shabbat and Yom Tov, the elevator in the Levine Center will operate automatically in 'Shabbat mode.' Golf cart shuttles run daily throughout campus with continuous service between 7:45am and 11:00pm (midnight on Seder nights). Shuttle stops with seating are located at several clearly marked locations. Wait time for a shuttle can be up to 30 minutes. Please note we do not have golf carts available for individual or family rental.

Attire: Our atmosphere is casual. For Shabbat and Yom Tov, we recommend dressier attire. No matter the day of the week, comfortable walking shoes are a must! The weather can be unpredictable in the mountains and temperatures can drop quickly in the evenings and early mornings. It is helpful to have layers of clothing and a raincoat with you.

Babysitting: Beginning Wed, April 24, we offer private evening babysitting on a first-come, first-served basis for \$20/hour, with a minimum 2-hour guarantee. Reservations must be made at the Concierge Desk by 2:00pm on the requested day.

Boating & Swimming: We are excited to open our lake for guests to enjoy boating. The lake will be closed on Shabbat and Yom Tov. Our outdoor swimming pool will also be open. Note that the pool is not heated. We allow swimming and boating only during designated hours while lifeguards are on duty.

Candle Lighting: We provide Shabbat and Yom Tov candles at designated times in the Chadar Ochel (Dining Hall). Yahrzeit candles are also available upon request. Do not light candles in your room. Candle lighting times are listed in the daily schedule.

Checkout: Checkout is no later than 8:30am on Fri, April 26 and 10:00am on Wed, May 1. Please stop by the Welcome Center to recycle your name tag lanyard and return your key if applicable. If you are departing mid-holiday, we invite you to remain on campus and enjoy the day's programming after checking out of your room.

Coffee Service: Coffee and tea are available at each meal, and all hotel rooms and cottages have a Keurig. Stop by the Concierge Desk for additional coffee pods and sugar.

Concierge Desk: Visit our Concierge Desk at the Levine Center on the ground floor in the outdoor portico area below the Chadar Ochel (Dining Hall). Hours are 9:30am-12:00pm and 1:30-6:00pm. Sign up here for sessions that have limited space, report maintenance issues, reserve babysitting, check in/out activity supplies and purchase special snacks. Activity supplies include mountain bikes and helmets, board games, poker and Mah Jongg sets, tennis rackets and more. Checked-out items must be returned to the Concierge Desk in their original condition or charges for replacements may be assessed.

Drinking Water: All water on our property is underground mountain spring water—great for drinking!

Emergencies: In the event of an emergency, call 911 from your mobile device or any phone on campus. Be prepared to state the nature of the problem and your location (70 Darom Lane, Clayton, Georgia 30525). Also, please notify a staff member of the situation by calling 706.782.9300. If you do not have a mobile device on hand, there are landlines in the Welcome Center office, at the pool, in the kitchen and in all living spaces. Note that a medical professional will be onsite during the retreat for emergency needs, and the hospital in Clayton is about 25 minutes away.

Fitness Center: For safety reasons, only guests 16 and older are welcome to use our Fitness Center. Our Fitness Center is located on the ground floor of the Levine Center and is equipped with bikes, treadmills, elliptical, bench press benches, CrossFit equipment, a multi-purpose weight machine, medicine balls, gym bands and yoga mats. Please keep all fitness equipment inside the Fitness Center.

Heated Accommodations: All accommodations, including cabins, are heated. Each cabin has a thermostat located in the common area that controls the building.

Housekeeping & Trash: We do not provide daily housekeeping in personal living areas during the retreat. For guests staying for the full duration of the retreat, our housekeeping team will enter living areas on the following dates to tidy the bathrooms, take out the trash and replenish towels:

- Hotel Rooms & Cottages: Thurs, April 25 & Sun, April 28
- Cabins: Wed, April 24 & Sat, April 27

Guests can place waste in outdoor trash receptacles near their accommodations. Trash is collected daily from these outdoor bins. Please ensure lids are secured on outdoor containers after throwing out your trash.

Plastic laundry bins are placed outside hotels and on cabin porches for linen and towel collection on the assigned days the housekeeping team visits your accommodation. You can pick up an additional set of linens or towels at the Concierge Desk.

Laundry: There are no laundry machines available for use on campus. We offer a professional laundry service for families who wish to have their clothes laundered mid-program for a cost. Any family who pre-purchased this service will find a laundry bag in their accommodations upon arrival. If you would like to purchase laundry service or additional laundry bags during the Retreat, you may do so at the Concierge Desk. Guests who prefer lights and darks laundered separately will need 2 laundry bags. Place dirty laundry bags on your cabin porch or outside of your hotel room by 10:00am on Thu, April 25. Laundry will be returned to the same location in the late afternoon on Fri, April 26.

Lost & Found: The lost and found area will be located by the Concierge Desk.

Luggage Service: Luggage assistance is available to all guests arriving and departing on the airport shuttle. If you are taking a shuttle back to the airport and require luggage assistance, your luggage must be placed on the porch of your cabin or outside of your hotel door on the appropriate day and time.

- Fri, April 26: 8:00am shuttle, luggage ready by 7:00am
- Wed, May 1: 8:00am shuttle, luggage ready by 7:00am

You must be at the bus 30 minutes before departure time to ensure your luggage is there and give approval to have it loaded onto the bus. Luggage will not be loaded onto the bus until it is identified by its owner. Buses will depart from the Welcome Center.

Maintenance Requests: Submit any maintenance requests at RamahDarom.org/Maintenance or visit the Concierge Desk. The facility staff is on call at all times. We ask that you avoid submitting requests before 7:30am or after 9:00pm, unless it is an emergency.

Meals, Snacks & Beverages: Ramah Darom is a kosher facility under the supervision of the Atlanta Kosher Commission (AKC). All meals, snacks and beverages are provided. Please help us maintain our Passover kashrut by not bringing outside food onto our campus or taking tableware or glassware outside the Chadar Ochel (Dining Hall).

- **Food Service:** Meals are self-serve buffets. If you wish to dine outside, ask a Food & Beverage staff member for paper goods.
- **Kiddush:** At Communal Seders and at Shabbat Dinner, Kiddush is recited aloud for the community; the buffet line opens afterward. Ritual items will be provided per table at all other mealtimes, as needed.
- **Seders:** Alphabetical seder seating assignments are posted in the Chadar Ochel (Dining Hall) on each seder night. Please plan to be seated 10 minutes before seder start times. Communal Seders will begin at 7:45pm on both nights. If you have a semi-private seder, please let us know if you plan to start your seder at a later time on the second night.
- **Snacks:** Daily complimentary snacks are available by the Concierge Desk, as noted in the schedule, and cold drinks and canteen treats can be purchased throughout the day.
- **Boxed Lunches:** For guests going on our Chol Hamoed excursions, independent day trips or departing during Passover, we will have a special buffet available for you to pack boxed lunches and snacks to bring with you.

Medical Care: A medical professional will be onsite during the entire Passover Retreat. For minor medical issues, first aid kits are available at the Welcome Center, Concierge Desk, Chadar Ochel (Dining Hall), Beit Am (Covered Court) and Boathouse. The medical professional on staff offers Health Clinic hours daily from 8:30-9:30am. Our Health Clinic is in the "Mini Marp", on the lower level of the Levine Center, near the Concierge Desk.

Mountain Bikes: Mountain bikes and helmets are available to check out at the Concierge Desk. All riders must wear helmets. We do not have any youth-size bicycles.

Optional Charges: We require a credit card to keep on file for any authorized on-campus charges such as concierge snacks, laundry service, last-minute amenity add-ons, Ramah merchandise, etc. Credit card charges are processed at the conclusion of the Retreat and a receipt will be emailed.

Phones (Landlines & Mobile): Cell phone signals on campus can be spotty, so we suggest enabling Wi-Fi calling if your phone has this feature. All hotel rooms and cabin buildings also have a landline phone, and you can make free calls to anywhere in the US and most of Canada from these phones. To call another location on campus from a landline, dial the four-digit extension for the room or location you are trying to reach; each location has the extension number posted next to the phone. If someone off-campus wants to reach your room or cabin, they can call 706.782.9300 and enter your room's four-digit extension when prompted.

Prayer: All participants are invited to join in daily prayer services. Times for services can be found in the Daily Schedule section of this guide. Please bring your own tallit, tefillin and kippot to wear if it is your custom.

Reception Desk: The Reception Desk at the Welcome Center is staffed from 8:30am to 11:00pm. On Wed, May 1, the Reception Desk will be closed. The phone number is 706.782.9300 or dial "0" from any landline on campus. This number will reach an emergency contact after hours.

Room Keys: Hotel room keys are available upon request, although most guests choose to leave their rooms unlocked during the day. Keys must be returned to the Reception Desk before checkout or a charge of \$50 will be assessed. Please note that we only have one key available per room.

Running & Walking Off Property: If you intend to run or walk on the road outside of our property, please be aware that there are dogs in the area that might not be as friendly as we are at Ramah Darom!

Shabbat & Yom Tov: Shabbat and Yom Tov are sacred times at Ramah Darom. We encourage a screen-free environment in public spaces on these days. There is a Shabbat elevator in the Levine Center available for your convenience during Shabbat and Yom Tov. An eruv, checked by our Mashgiach, surrounds our campus.

Sign-ups: Art classes, archery, climbing and some other activities require advanced sign-up. All sign-up sheets can be found at the Concierge Desk.

Smoking: Smoking is not allowed inside any building. There is a designated smoking area on the back porch outside of the Mountainside Dining Hall. Fees are assessed for rooms or areas showing evidence of smoking or smoke damage.

Toys & Sporting Equipment: Sports equipment and games are available to check out at the Concierge Desk. Feel free to bring your own toys, games and equipment (fishing gear, musical instruments, balls, frisbees, yoga mat, etc.) and make sure to label everything. Please note that we do not allow water guns or other toy weapons on our property.

Valuables: Ramah Darom is not responsible for missing or lost items. If you are uncomfortable leaving valuables in your room, you may either leave them locked in your car (at your own risk) or request a room key.

Vehicles: The speed limit on campus is 5mph. Please park only in the approved parking locations near your accommodations. We ask that you leave your vehicle parked for the retreat duration. Guests are not permitted to drive through campus at any time. Ramah Darom is not responsible for any damage caused to cars on campus.

Wildlife: Ramah Darom is fortunate to be surrounded by the Chattahoochee National Forest and we share our beautiful property with a variety of local wildlife. Please keep your eyes open, particularly when walking at night, and let a member of our staff know if you spot any wildlife that could pose a threat to our guests.

Wi-Fi: Wireless internet service is available throughout the facility via "Ramah Darom Wi-Fi" (no password). If you have

any issues connecting to the internet, try turning your device's Wi-Fi off and back on, then try reconnecting. If you still have connectivity issues, contact the Bridge Communications Help Desk: 866.632.2717, hit 1 (for after-hours emergency support, hit 5), email support@bridge-comm.net, or inform a member of the Ramah Darom staff.

Workspace: We understand many of our guests must remain connected with the outside world during their stay. There are a few workspaces in the Welcome Center office available on a first-come, first-served basis. We ask that you be respectful of other guests' observances during Yom Tov and Shabbat and conduct your business in a private area. There is Wi-Fi access in every building on campus.

Youth Program: Supervised Kids Camp is offered daily (ages 6mo-teens). The Youth Program Booklet offers a detailed schedule with pick-up, drop off and activity locations for all age groups. Extra copies of the booklet will be available at the Concierge Desk.

In this session, we'll do a close literary and theological analysis of this beloved text. | TIME | ACTIVITY | LOCATION |

| 1:45-2:45pm | White Barrels with Black Ashes and Other Anxiety Dreams with Rabba Wendy Amsellem & Maharat Rori Picker Neiss: Rabban Gamliel famously insists that his students' outsides be aligned with their insides. Yet his repressive policies have the opposite effect and his students were unable to lead authentic lives. We will study this Talmudic narrative (in Bavli Berachot) and discuss how contemporary laws and policies that try to enforce a gender identity create a similarly oppressive regime. As we read of the students' wresting control from Rabban Gamliel, we will consider how we too can use the tools at our disposal to create a more just, honest and free community. | Beit Knesset |
| | Game Hour: Unwind with the perfect Yom Tov activities; playing board games or puzzling and find your mah jongg friends for the holiday. | Tent |
| 3:00-4:00pm | Out of the Depths I Called to You: Exploring Psalms for Times of Crisis with Rabbi Shai Held: Like Psalm 121, Psalm 130 has been recited by Jews in times of crisis since at least as far back as the time of the Mishnah. In this session, we'll do a close literary and theological analysis of this much-treasured text. We'll wrestle with the ways that the psalm assumes something that many of us find foreign, and perhaps even alienating: that our suffering is (necessarily?) the result of our sin. <i>This is the second session in a two-part series. Feel free to attend one or both sessions!</i> | Beit Knesset |
| | Shrubs & Cocktail Cultural Connections with Carlton Chamblin: Farm2Cocktail's Carlton Chamblin, renowned for his hospitality and storytelling, will demystify the ancient art of shrub-making while using the Passover story and his Southern heritage as inspiration. <i>There will be supplies for 48, but onlookers are welcome!</i> | Tent |
| | *Total Conditioning with Megan-Marlene Moran | Moadon |
| 4:15-5:15pm | Theology in Halacha Part 1 – Revisiting the 13 Attributes with Rabbi Aaron Alexander: Does Jewish law influence how we count God's many attributes? Is it even possible to count them? No surprise, the Rambam has what to say. We'll study the primary sources and then learn his responsum on the topic, which will also help navigate challenges of communal conflict. | Beit Knesset |
| | Even God Had Bad Parenting Days with Maxine Handelman and Kelly Cohen: Inspired by the book <i>"Even God Had Bad Parenting Days: Ancient Jewish Wisdom for New Parents"</i> by Alicia Jo Rabins, we lean into biblical examples of parenting to help us see beyond the challenges of living with young children and recapture a sense of wonder at the process of raising small humans. <i>For parents of kids of all ages.</i> | Mercaz Aryeh (Library) |

| 9:45-10:45am | Do Jews & Christians Love Differently? An Exploration with Rabbi Shai Held: Judaism, no less than Christianity, is a religion of love. Yet Judaism is not just Christianity avant la lettre. Beyond the obvious and fundamental theological differences between the two traditions, there are also crucial disparities in how Jews and Christians tend to think about love. In this session we'll explore some of those differences. Themes we'll consider will include the love of enemies and the relative priority of the particular and the universal. | Beit Knesset | | | | | | | | | | |

| 11:00am-12:00pm | The Rabbis of Bnai Brak – Holding Together a Divided Community with Maharat Rori Picker Neiss: One of the central stories told at the Passover Seder recounts the engaging study of some of our most prominent Sages—so much so that they lose track of time and must be interrupted by their students to recite the morning Shema. But what is, in fact, happening in this story? Together we will do a deep exploration into this story using Rabbinic sources, historical context and contemporary etiquette to reread this story not simply as a fun narrative, but a profound political move to try to hold together a community in turmoil. | Beit Knesset | | | | | | | | | | |
