Medication & Health Protocols

During the summer, Ramah Darom's Health Center (*Mirpa'ah* or MARP) is staffed 24 hours a day with medical, nursing, and support staff. In case of an emergency, the Mountain Lakes Medical Center is minutes away. To make sure that the MARP staff is well prepared to care for all campers, it is imperative that you **complete and submit all medical and health information on your [family dashboard](#) by March 13.**

Ramah Darom requires an up-to-date Health History signed by your camper's Health Care Provider. All medical forms must be submitted in order for your child to attend Camp. Withholding medical information or failure to comply may result in your child's inability to attend or remain in Camp. If you have any questions or concerns, please email medical@ramahdarom.org.

If your child's physician appointment is after March 13, please [let us know](#).

If your child's medical condition, medication dosage, or medication schedule should change after you have submitted the Health History, you must notify us in writing at medical@ramahdarom.org with a letter signed by the prescribing physician identifying the specific changes.

MEDICATION FULFILLMENT

Medication Fulfillment

Camp Ramah Darom requires ALL campers who take medications (prescription and non-prescription), including vitamins and supplements, to use the services provided by Tim's Pharmacy, a local pharmacy in Cornelia, GA. The only exceptions are for inhalers, Epi-pens, insulin, Accutane, birth control pills, growth hormone injections, injectable medications, topical creams, nasal sprays, and eye drops. Tim's Pharmacy ensures that all medication arrives at Camp before the start of each session and is administered in an efficient and safe manner. This partnership also allows more time for our nursing staff to devote to our campers' other healthcare needs. Please read this [letter from Tim's Pharmacy](#). *Please note that we will not accept self-packaged medication. Families that arrive with medication for their camper(s) will be given three days from the start of Camp to make arrangements with Tim's Pharmacy, who will access a \$20 late fee. Your child will not miss any medication dosage while waiting for the new medications.*

To register with Tim's Pharmacy:

1. Update the medication and insurance sections on your camper's Health History Form
2. Complete the Pharmacy and Medication Agreement on your family dashboard
3. Have your camper's doctor **submit electronic prescriptions to Tim's Pharmacy** (130 Magnolia Lane, Cornelia, Georgia 30531) for the time your camper will be at Camp.

To avoid late fees, please complete this process by April 17 (Session Aleph) and May 28 (Session Bet). Camp Ramah Darom will share your medication (including non-prescription medications), contact, and insurance information with Tim's Pharmacy.

Tim's Pharmacy staff will then contact you to collect the \$40 registration fee and any prescription co-pays. For questions about medication fulfillment, please call Tim's Pharmacy at 706-776-3784.

We ask for your cooperation with this essential requirement which assists us in our primary goal of maintaining the health, well-being and safety of your child. We expect 100% compliance. *If your camper takes any of the exempt medications listed above, please indicate so in the online Medication Agreement and email medical@ramahdarom.org with any questions.*

If Tim's Pharmacy does not accept your insurance, we ask that you use their repackaging service, which also costs \$40 (same as the registration fee), to prepare the medications/supplements appropriately. Tim's Pharmacy will notify you and work with you to make sure your prescriptions are filled and packaged correctly. Pill medication taken on a routine basis will be individually packaged, sealed, and sorted according to the date and time of administration. Non-pill medication (drops, sprays, liquids or creams) and medication that is taken on an "as needed" basis will be packaged separately.

NOTE: By law, all prescriptions must be filled, packaged, and administered according to the written prescription from your camper's physician. Please confirm the correct medication, dose, and exactly how and when your camper takes the medication before the prescription is sent to Tim's Pharmacy.

Noncompliance Policy for Medications/Supplements: *We will not accept self-packaged medication. Families who send camper medication in their camper's luggage or with their camper will be given three days from the start of Camp to make arrangements with Tim's Pharmacy.* We will only accept three days of self-packaged medications so your child will not miss any doses while waiting for the new medications.

OTHER MEDICATION INFORMATION

- **Over-the-Counter Medications:** the MARP stocks most over-the-counter items such as Tylenol, Advil, Benadryl, and Lactaid pills. Tim's Pharmacy will not provide these medications unless your child takes them daily. Please contact our Head Nurse at medical@ramahdarom.org if you have questions about which medications the MARP stocks in its formulary.
- **Medication Prescribed During Camp:** If your child becomes sick while at Camp and the Camp doctor needs to prescribe medication, or if there is any change in your child's medical regimen, you will be contacted by a doctor or nurse. Once we receive your permission for the prescription, we will send the prescription to our local pharmacy and provide the insurance information we have on file for your child. We will also give you the pharmacy's phone number and ask that you contact them to confirm the medication and dosage received for your child.

them to confirm insurance coverage and arrange payment for any insurance co-pay or medication costs.

- **You may send us a copy of your FSA Debit card if you prefer the MARP to utilize your FSA account for such charges;** please email medical@ramahdarom.org authorizing permission to do so and your signature. The FSA Debit card can be provided as an attachment to your Insurance Info & Authorization Form; please make sure the front and back of the card are both visible.
- **Medication “Vacations”:** Camp is often assumed to be a less structured, stress-free environment. As a result, parents are sometimes encouraged by prescribing physicians to allow their campers to take a “vacation” from their regular, school-year dose of medication during the summer. Although Camp provides an environment for relaxed fun, it is structured and carries expectations to be successful. **We strongly encourage you to maintain your child’s routine medication regimen.**
 - If you are considering a “vacation” from medication for your child, please communicate with us so that we can adequately prepare to work with your child in the most positive way. Please contact medical@ramahdarom.org to discuss any medication vacations.

ALLERGY & EPI-PENS

Allergy & Epi-pen Guidelines

- During the summer sessions, Camp Ramah Darom’s dining room is completely peanut and tree-nut-free. Our canteen will not offer items with nuts as a listed ingredient; however, some labels for chocolates say “may contain nuts or may have been processed in a facility with nuts.”
- Make sure that all allergies are listed in your camper’s information on your family dashboard. On your camper’s Health History Form, let us know if they carry an Epi-Pen for emergency treatment of a life-threatening allergic reaction and whether or not they understand and know how to use it.
- **If your child does carry an Epi-Pen, they must have two Epi-Pens at Camp.** Campers will be expected to carry one Epi-Pen on their person or in their backpack throughout the day at Camp. The second Epi-pen will be kept in the Infirmary.
- Please pack the Epi-Pens in your child’s carry-on bag, not in their duffel. Campers must be aware that there is an Epi-Pen in their carry-on bag for emergencies and should be instructed to inform the MARP that they have two Epi-Pens in their possession when they go through the Health Check-in on the first day of Camp.

ASTHMA & INHALERS

Asthma & Inhaler Guidelines

- **If your child uses an inhaler, they must have two inhalers at Camp.** Campers will be expected to carry one inhaler on their person or in their backpack throughout the day at Camp. The second inhaler will be kept in the MARP.
- Please pack the inhalers in your child’s carry-on bag, not in their duffel. Campers must be aware that they have an inhaler in their carry-on bag for emergencies and should be instructed to inform the MARP that they have inhalers in their possession when they go through the Health Check-in on the first day of Camp.

LICE, DENTAL & VISION

Lice, Teeth & Eye Care Policies

Head lice: Help us prevent the spread of head lice by checking your child for lice and nits (lice eggs) before Camp starts. If your child is found to have head lice or nits during the Health Check-In on the first day, he/she must be treated before moving into their bunk. We partner with a professional company to conduct lice checks on arrival day and before departure. You will be contacted and charged if your child requires treatment.

Dental & Orthodontics: Please take care of all your child’s dental and orthodontic needs before the start of Camp. Camp does not have a dentist or orthodontist on site. In the event your child needs dental treatment, we will contact you and discuss possible options for care. Camp can arrange a visit and transport to a local dentist or orthodontist in Clayton. *Remember to label all retainer containers with your child’s name.*

Glasses & Contacts: Children who wear glasses or contact lenses should bring an extra pair to Camp. *Glasses should have the camper’s name marked clearly on the inside of the frames.* In the event your child needs eye care, we will contact you and discuss possible options for care. Camp can arrange a visit and transport to a local ophthalmologist or optometrist in Clayton.

VACCINATION POLICY

Camp Ramah remains committed to the health and safety of our communities. All campers, staff, and family members of staff who attend any Ramah camp or program must be vaccinated in accordance with the 2025 American Academy of Pediatrics’ [“Recommended Child and Adolescent Immunization Schedule for Ages 18 Years or Younger,”](#) as may be revised from time to time. Click below to read more.

Vaccination Policies

Ramah Darom’s Medical Committee has established a set of protocols and policies to keep our campers, retreat attendees, guests and staff healthy while on our campus. A shared living and eating environment increases the risk of transmission of infectious diseases; the Committee’s key objective is to avoid introduction and spread at Ramah Darom programs.

INSURANCE

Medical Insurance

Campers are required to have valid health insurance coverage. If you do not have insurance coverage for your camper, a short-term policy may be purchased through [AMSkier](#).

Please provide evidence of your camper’s coverage where indicated in the family dashboard. If there are any changes to your insurance coverage or updates before the start of Camp, please inform us and submit the updated information.

Ramah Darom maintains a secondary source of accident/medical insurance which is available to all campers. This policy provides insurance for those medical expenses incurred at Camp that are not covered by the camper’s own primary health insurance coverage, excludes any pre-existing

conditions, and is limited to \$1,000 for sickness and \$3,500 for accident per person per incident. The deadline for filing any claims for secondary coverage under this policy is September 2026.

DISCUSS & PRACTICE BEFORE CAMP

Health Practices

Before the start of Camp, please have discussions with your children about the following health practices:

- Do not share clothing, anything that touches the head (hats, kippot, scarves, combs, brushes, hair clips/ornaments, pillows, sheets, or towels), drinks, food, water bottles, or personal hygiene items such as razors.
- Wash hands before and after meals and after using the restroom.
- Use the hand sanitizers located throughout Camp when washing with soap and water is not readily available.
- Showers should be taken daily, along with changing into clean underwear and clothing daily.
- Brush teeth at least twice a day.
- Sheets and towels should be changed on laundry day.
- Stay hydrated: Drinking plenty of water throughout the day is extremely important. Campers must arrive with two reusable water bottles labeled with their name. A limited number of replacement water bottles will be available for a fee charged to the camper.
- Use sunscreen and bug repellent. Please teach your children how to use these items. Counselors will remind campers to drink and apply sunscreen regularly, but it is important that the campers also take responsibility.
- Eat a healthy, well-balanced diet! This is critical to good health at Camp. We will provide a healthy variety of food choices at every meal, including snacks.
- WEAR CLOSED-TOE FOOTWEAR. Open-toed shoes should have an ankle strap. Even acceptable sandals are not permitted for most Camp activities. Many injuries seen in the MARP are due to improper footwear. One pair of flip-flops for use in the shower is permissible.

WHEN WILL WE CONTACT YOU?

Parent/Guardian Contact

We do not contact parents for routine camper visits to the MARP, including minor injuries. Parents are only contacted in the following circumstances:

1. If a Camp doctor prescribes medication or believes there is a significant medical issue
2. If your child is taken out of Camp for consultation or x-ray
3. If your child spends the night in the MARP

Our Camp doctors, at their discretion, may determine other situations where he/she will contact parents.

Our Camper Care Team may contact you if your child visits the MARP frequently.

Please complete and submit each camper's medical and health information by March 13. If you have any questions about medical care at Camp, please email medical@ramahdaron.org.

Ramah Darom's Medical Committee has established a set of protocols and policies to keep our campers, retreat attendees, guests and staff healthy while on our campus. A shared living and eating environment increases the risk of transmission of infectious diseases; the Committee's key objective is to avoid introduction and spread at Ramah Darom programs.

This page was last updated on January 14, 2026. Protocols and policies are regularly reviewed by the Ramah Darom Medical Committee and may be adjusted in the future.

Ramah Darom requires that all individuals, families and programmatic staff attending or working at any Ramah Darom program (including Camp Ramah Darom and all Ramah Darom Retreats) adhere to the recommendations of the Advisory Committee on Immunizations Practices (ACIP) and the American Academy of Pediatrics (AAP) as outlined as outlined [here](#).

Note that Ramah Darom strongly recommends, but does not require, the Flu and Covid-19 vaccines.

If you are not sure which vaccines you or your child(ren) have received, please ask your healthcare provider. Note: Not all states have the same requirements, but ALL AAP recommended immunizations (other than the Covid-19 vaccine) are required at Ramah Darom.

ATTENTION FLORIDA CAMP FAMILIES: Camp Ramah Darom requires two vaccines not on the Florida school vaccination form. The Meningitis Vaccine and Hep A Vaccine for children 12 and older are not required by the state of Florida but ARE required by Ramah Darom.

Camp Ramah Darom campers are required to upload proof of all immunizations. [Ramah Darom year-round program registrations asks guests to affirm that everyone included on their registration meets all immunization requirements.]

VACCINATION EXEMPTIONS

Vaccination Exemptions

There are exceptions to the Ramah Darom vaccination policy, but they are extremely rare. We recognize that individuals who have had a documented severe allergy or severe adverse reaction to a particular vaccine may not be able to complete the immunization schedule outlined by the AAP. Additionally, individuals with medical conditions such as congenital immunodeficiency or HIV, cancer and who are receiving chemotherapy, transplant patients, and persons receiving immunosuppressive drugs and chronic steroids also may not be able to receive certain vaccines.

We are happy to discuss case-by-case management of these circumstances of medical contraindications to partial or complete vaccination.

Process for Vaccinations Exemption Requests for Summer Camp

Any exemption requests must be submitted by April 1st. Exemption requests should be addressed to the Ramah Darom Medical Committee and emailed to Ramah Darom's CEO, [Scott Tonal](#). Requests must include current documentation from a Physician (MD or DO), or a Pediatric/Family Practice Advanced Practice Nurse (ARNP or PNP), describing the reason for exemption from immunization. Requests will be kept confidential and reviewed by our Medical Committee Chair, in consultation with members of the Ramah Darom Medical Committee. Ramah Darom is committed to ensuring a safe and healthy community and only grants vaccination exemptions in very rare circumstances.

Please see the section on the [Camp Enrollment Policies page](#) entitled "Changes, Cancellations & Refunds" for details on our refund policies for campers who withdraw for documented medical reasons, or for declined vaccination exemption requests.

Process for Vaccinations Exemption Requests for Ramah Darom Retreats

Any exemption requests should be addressed to the Ramah Darom Medical Committee and emailed to Ramah Darom's CEO at least 30 days before the start of the retreat. Requests must include current documentation from a Physician (MD or DO), or a Pediatric/Family Practice Advanced Practice Nurse (ARNP or PNP), describing the reason for exemption from immunization. Requests will be kept confidential and reviewed by our Medical Committee Chair, in consultation with members of the Ramah Darom Medical Committee as required. Ramah Darom is committed to ensuring a safe and healthy community and only grants vaccination exemptions in very rare circumstances.

If your camper is in Gesher, we will provide an Intercession program and an opportunity for you to see your camper at a select time. (We will contact you via email and ask you to submit your Intercession plan before Camp begins.)

Full-summer campers must either go to their own homes or travel home with a friend for the duration of Intercession. They may leave their luggage at Camp. For help with Intercession arrangements, please contact our Camper Care Team.

Luggage

2026 Luggage Requirements

Each camper is allowed two duffel bags, each not to exceed a total of 60 inches (L + W + H) and a weight of 50 lbs per bag, and a small backpack/carry-on.

To help "lighten the load" on our staff, Ramah Darom will assess a fee for any bag weighing over 50lbs. Please do NOT use hard trunks as they are difficult for our staff to transport and store.

PLEASE DO NOT PACK IN HARD TRUNKS! SOFT DUFFLES WORK BEST.

Our goal is to have most campers' luggage delivered to their cabins before arrival so they can immediately begin settling in when they arrive. This will also allow our counselors to focus entirely on welcoming your kids to Camp!

Here are more specific details for your area:

Atlanta and surrounding suburbs: Atlanta-based families are required to drop off their luggage on Sunday, May 31 (Session Aleph) or Sunday, June 28 (Session Bet) between 1:00-2:00pm at Congregation B'nai Torah in Sandy Springs. Please note that Garinim campers do not need to use this service.

Florida: We are excited to again partner with [Door-va-Door Trucking](#). This service is required for all campers flying from Florida (only one-way required for K'tzara, Ramah Bamah, Ta'am, and Garinim) and is strongly recommended for those who are driving or taking the bus. Please read [their welcome letter](#) for more information, visit [their website](#) to register, and email info@doorvadoor.com if you have any questions.

Other locations: While we welcome shipping your luggage in advance (discounted UPS/FedEx rates available through [ShipCamps](#)), campers who from outside Florida and Atlanta may bring their luggage with them on arrival day.

If you plan to ship baggage, please:

- Schedule the delivery to 70 Darom Lane, Clayton, GA 30525, for at least three days prior to the beginning of the session.
- Mark bags clearly by labeling them with the camper's name and division and obtain return shipping labels.
- Send copies of the labels to travel@ramahdarom.org, so that we can attach the shipping tags at the end of the session.
- Note that families are responsible for the cost of shipping in both directions.

Clothing, Laundry & Packing

Rules for Clothing at Camp

At Camp, campers and staff dress in a way that demonstrates respect for the community and our educational environment. Clothing should be tasteful and modest. Camp is not a place to test out the latest fashion trends. Dress at Camp is for comfort and activity, not for show. Campers and staff will be sent back to their *tzrif* (cabin) to change if their clothing fails to meet the standards set forth below. Please make sure to scroll all the way through.

SWIMWEAR

Swimwear

All campers and staff must wear swimwear that reflects our standards, such as:

- One-piece or tankini-style swimwear that completely covers the midriff
- Board shorts or boxer-style swim trunks
- Rash-guard/swim shirts

FOR ALL CAMPERS: Rash Guards/swimshirts must be worn under life jackets at the lake and are recommended at the pool for sun protection.

SHABBAT CLOTHES

Shabbat Clothes

Shabbat is a very special time of the week. Please note that at Ramah Daron we celebrate Shabbat from Friday night through sundown on Saturday. Our guideline for tasteful dress is not fancy; we discourage elaborate, expensive outfits and encourage simplicity and modesty.

The following is appropriate for Shabbat:

- Collared shirt (polo or button down)
- Skirt and blouse or a dress with sleeves
- Khaki pants or similar trousers
- Shorts are acceptable on Saturday, but not on Friday night

NOTE: Jeans are not appropriate for Shabbat, and all Shabbat tops must have sleeves (short sleeve, flutter sleeve and cap sleeve are permissible).

KIPPOT, TEFILLIN & TALLIT

Kippot, Tefillin & Tallit

All males are required, and others are encouraged, to wear a *kippah* during *t'fillot* (prayers) and a kippah or hat during mealtimes. On Shabbat, only *kippot* are allowed during mealtimes (no hats). PLEASE MAKE SURE ALL KIPPOT ARE LABELED. We encourage campers to carry a kippah with them in their bag throughout the day.

All males of Bar Mitzvah age are required, and females of Bat Mitzvah age are encouraged, to wear *tefillin*. If your child is of Bar/Bat Mitzvah age but does not have *tefillin*, please acquire a set before Camp. PLEASE MAKE SURE ALL TALLITOT, TALLIT BAGS, AND TEFILLIN BAGS ARE LABELED. (A clear plastic zippered pouch labeled with the camper's name is helpful to keep these items protected and together.)

We encourage the purchase of a "[camp tallit](#)" rather than a sentimental tallit, such as from a camper's bar/bat mitzvah, as items sometimes get misplaced.

WHAT NOT TO WEAR

What NOT to Wear

The following items do NOT reflect our community standards and are NOT permitted at Camp:

- Bare midriffs
- Exposed bra or underwear
- Halter tops, strapless tops, backless tops, or low-cut shirts
- "Low rider" pants
- See-through clothing
- Short skirts or high-cut shorts that expose the buttocks
- Bikini swimsuits or Speedo brief style swimsuits
- Shirts with inappropriate words, phrases, or symbols
- Tank top shirts or tube tops (for men or women) that expose the back or any part of the chest (i.e. shoulders should be mostly covered; racerback or spaghetti strap tank tops are not permitted; armholes must be fitted under the arm)

LABELING & LOSS

Label Everything

Label everything that comes to Camp with your child's name. You may choose to purchase labels online, but Sharpies work well, too!

Wear & Tear & Loss

Camp clothes will see a lot of wear and tear. Please consider sending clothing that is comfortable and well broken-in for everyday wear and will not cause distress if lost.

We do our best to protect your child's belongings, and we ask that you discuss with your child the importance of being responsible for their belongings.

Ramah Darom assumes no responsibility either for wear and tear, loss or damage to a camper's clothing or other personal items. We suggest that you arrange with your insurance agent for a floater policy to cover loss or damage.

Note: If your camper accidentally leaves items behind at Camp, please contact our office as soon as possible. We do our best to locate and return lost items, but we are only able to return items on which we can identify the camper's full name clearly marked on them. Items that are located can be mailed back home at the parent's expense.

- Labeled items will be kept for one month after Camp ends. During that time, we will make every effort to connect items with the family. After one month, unclaimed labeled items will be donated.
- Unlabeled items will be donated one week after Camp ends.

LAUNDRY

Laundry

Please pre-wash all of your child's clothing prior to Camp. In addition, be sure that all clothing you send to Camp is colorfast. Laundry will be sent out once a week and will come back 1-2 days after it has been sent. Please send your child to Camp with two laundry bags. Campers should not plan on washing their own clothes.

In the unlikely event that our laundry company loses an entire bag of clothing, there will be a maximum reimbursement of \$300.

PACKING

Packing Lists

Please use these lists as a guide and adjust to fit your child's own particular needs.

Money, Phones, Technology & Food

Money & Phones

All travel money and phones will be collected during check-in and stored in the Camp Office until departure day. We will also collect field trip money and return it when your camper's aidah (age division) goes on their trip. *Ramah Darom cannot be responsible for cash or other valuables kept in the cabin.*

Campers do not need to bring any money for field trips, but if they would like to buy items from gift shops, we recommend the following:

2nd-4th grades: \$0 5th-9th grades: \$20 10th grade: \$40 11th grade: \$100

TECHNOLOGY

Technology

Camp is a screen-free experience!

Any devices with screens (including phones, iPads, computers, etc.) that are brought to Camp will be collected and held in a safe space in our Camp office for the duration of the session. Campers will receive their screens back at the end of the session, as they arrive at the airport, depart the bus or are picked up by family members. (This doesn't NOT include pre-loaded Kindles, which are allowed at Camp or MP3 players that do not connect to WiFi.)

If your child has a phone with them for travel purposes, make sure they understand that it must be turned in for storage upon arrival.

Suggestions to help your children to adapt to this screen-free environment:

- Talk to your children about the benefits of "unplugging"
- Provide your children with address labels of friends and family along with postage
- Send books, puzzles, and other quiet activities that can be done during our rest hour

Music & Audio Books

Campers are permitted to bring an electronic reading device such as a Kindle or an original iPod, iPod shuffle or Nano, or other devices that do NOT require or allow web browsing or downloading.

Camp Ramah Darom bears no responsibility for lost or damaged personal electronics.

Please review the music that your child wishes to bring to Camp to be certain it is appropriate for the Ramah Darom setting. Do NOT send your child to Camp with music that advocates drug use or violence, that is sexually explicit, degrading, or that includes swearing, cursing, or other inappropriate lyrics.

Your assistance in this matter will help create a comfortable and positive environment for all of our campers and for our entire community and communicate the value of Kedushat Halashon (the sanctity of language) that Camp holds so dear.

FOOD

Food Policy

In addition to the three nutritious kosher meals and two daily snacks, our Chadar Ochel (Dining Hall) always has fresh fruit available. **We ask that campers DO NOT BRING FOOD to Camp.** Any food sent to Camp will be disposed of. For the safety of our community members with allergies, during the summer sessions, Camp Ramah Darom's dining room is completely peanut and tree-nut-free. Our canteen will not offer items with nuts as a listed ingredient; however, some labels for chocolates say "may contain nuts or may have been processed in a facility with nuts."

CAMP TIME

Camp Time

During the summer, on the first night of *Machzor Aleph* and *Bet* (First and Section Session), Camp Ramah Darom sets its clocks to Eastern Standard Time. For example, when it is 12:00 noon in Atlanta (which is Eastern Daylight Savings Time-EDT), it is only 11:00am at Camp. On the last evening of each session, the clocks are changed back to EDT. "Camp Time" allows younger campers an opportunity for programming on Saturday nights after Shabbat. In addition, the sun has an extra hour each morning to warm the pool and lake for swimming and dry dew off of the playing fields.

BIRTHDAYS

Birthdays at Camp

Every camper with a birthday during Camp will receive a birthday cake for a *tzrif* (cabin) party in the dining hall at mealtime. There is no need to call Camp with a similar request. Campers with birthdays during Camp will be allowed to phone home on their birthday. Calls are generally made between 8-10pm EDT and are facilitated by the Yoetz/et.

B'NAI MITZVAH

B'nai Mitzvah Reviews

As an educational institution, Ramah Darom is committed to making sure that the hard work your child has put in preparing to become a Bar/Bat Mitzvah prior to Camp is not forgotten during an amazing, fun-filled summer. If your child has a Bar/Bat Mitzvah between July and December 31 this year, please complete the "B'nai Mitzvah Guided Review Request" on your [family dashboard](#). Camp will provide some guided scheduled review with a staff member on a weekly basis. Since there is very little "free time" at Camp, the review will usually take place during rest hour. Camp staff will schedule the review times and make every effort to make sure your child attends, but it is ultimately the camper's responsibility to attend their review sessions!

While we do not offer review sessions for children with Bar/Bat Mitzvah occurring after December 31, every camper will have the opportunity to learn valuable skills during the summer like leading services, *Birkat Hamazon*, reading Torah and Haftarah (Camp does have its own melodies though, which may vary from what your congregation sings).

Graffiti, Gratuity, Piercing & Privacy

Make sure to review the following policies as some have been updated.

GRAFFITI & PROPERTY DAMAGE

Graffiti & Property Damage Policy

The buildings at Ramah Darom are beautifully maintained and represent the work and dedication of supporters throughout the country. Our maintenance team removed graffiti from all our bunk beds last winter. **Ramah Darom does not permit writing on walls, tables, benches, bunk beds or any other piece of Camp property.** Campers are expected to respect the campus and the buildings properly.

Absolutely no graffiti is permitted!

A fine of \$300 per incident plus any maintenance costs for repairs will be assessed for any defacing of, or damage to, Camp property. Re-enrollment of a camper will not be permitted until the fine is paid in full.

GRATUITY

Gratuity Policy

Staff members at Ramah Darom are engaged in an important educational enterprise. As professional educators, they may not accept gratuities under any circumstances. If you feel that a staff member has performed exceptionally well during the summer, please bring this to the attention of the Camp Director. If you would like, you can show your appreciation for a staff member by making a contribution in that staff member's name to the Staff Appreciation Fund. A card will be sent to the staff member in whose name the gift is made. Contributions may be made by contacting [Rebecca Wasserstrom](#), CDO, at (404) 503-2129, and will be used to enhance staff life at Camp.

PRIVACY VS. PROTECTION

Privacy vs. Protection

While respect for the privacy of individuals at Camp is a value we teach and encourage, the needs of the community sometimes supersede the needs of the individual. If the health or safety of other campers or staff is at risk, campers may be asked to have their belongings searched and inventoried in the presence of two designated members of the senior staff.

PIERCING

Piercing Policy

At the foundation of Judaism is the idea that each human being is created B'tzelem Elokim (in the Image of God). At Camp, this value is expressed in the way that we dress, in our appearance and personal hygiene, and in the way that we speak and act towards one another. Certain norms in secular society challenge the notion that our actions should reflect the idea of being created B'tzelem Elokim. Contemporary social trends like body piercings negate the underlying Jewish value that our bodies are to be viewed as gifts on loan from God, entrusted in our care. While earrings and small nose rings (for both men and women) are acceptable, other visible body piercings are not acceptable at Camp.

FAMILY EMERGENCIES

Family Emergencies During Camp

If there is a family emergency, please inform the Camp office by calling 706.782.9300.

Please communicate to whoever answers that you are calling regarding an emergency so your call can be directed properly.

Decisions regarding how to handle the specific situation will be made in partnership with our Camp Director, Camper Care Team, and the parent(s)/guardian(s). Only after Camp is notified are arrangements made for parents and children to talk. This approach prepares Camp to support your children through the difficult situation.

CHANGE OF ADDRESS

Change of Address

It is important that parents notify the Camp office of any change in their permanent or summer address, telephone number or email addresses by updating your profile on your family dashboard. You may also contact [Andrea Cohen](#) to update your contact information.

PARENT/GUARDIAN VACATIONS

Parent/Guardian Summer Vacations

If you will be away from home when your child is at Camp, or if your summer address is different from your address during the rest of the year, please email this information to [Andrea Cohen](#), so we can make sure the MARP and Camp Director know how to reach you should the need arise.

If you are traveling out of the country while your camper is at Camp, we ask that you designate someone local who can be available to meet or pick up your camper in the event of a medical or another emergency. Please be sure to share their name and contact information with [Andrea Cohen](#).

Communications

A major goal of the summer camping experience is to build independence and self-reliance. Your child will be strongly encouraged to write home at least once a week. Parents/Guardians may also communicate with their camper(s) through letters and a special email system (see below for more information). In order to assist parents in communicating with Camp and checking in on the status of their camper(s), Camp maintains a staff of Yotetzim (Parent Liaisons). These skilled senior staff members have extensive experience in working with children and will answer any questions you may have about your camper's summer.

MAIL & FLAT PACKAGE POLICY

Snail Mail

Prior to Camp, you will receive an email with the guideline for communicating with Camp as well as a list of the names of the Yotetzim (Parent Liaisons) assigned to each aidah (division) for each session.

Campers are required to write home twice a week.

Letters sent through the USPS may take some time to arrive home. If this happens, don't worry as "no news is good news"! If you receive a homesick letter from your child, or are just concerned, please call Camp and ask for the Yotetz/et. Your child's Yotetz/et will check out the situation and get back to you within 24 hours.

Please write your child often!

You should send your first letters to Camp one to two weeks prior to the start of the Camp session, as mail service to Clayton can be slow. Please allow at least a week for mail delivery, as there is no mail pickup at Camp between Friday and Monday. Read "[The Magic of Camp Letters](#)".

Address all mail to your camper(s) as follows:

Camper's Name
Bunk #_____
Camp Ramah Darom
70 Darom Lane
Clayton, GA 30525

Flat Package Policy

Camp Ramah Darom will only accept flat envelopes up to 12"x15" for magazines, photos, or books. Small items such as stickers, pens, and rubber bracelets are permitted as long as they fit inside the flat envelope. **DO NOT SEND FOOD, CANDY, or GUM.** Any food sent to Camp will be disposed of. Packages that are not flat and or larger than 12"x15" may be returned to the sender at the senders' expense.*

Books

*For the avid readers among our Camp community, we will accept boxes mailed from Amazon containing BOOKS ONLY.

Necessary Items

*Should your child forget an item (e.g., sunscreen, water bottle, or sandals) please be in touch with your child's Yotetz/et. Often, they are able to obtain these items for your camper avoiding the wait and hassle of shipping something to Camp. If an item still needs to be sent, after obtaining permission, please address the package to **Camper's Name, Aidah Name, c/o Yotetz/et Name**.

EMAIL

Email at Camp

Campers can receive Bunk Notes from parents and guardians through a third party provider, Bunki. There is a small fee assessed by Bunki for this service. Each morning (except Wednesdays and Saturdays), emails will be printed out and distributed to campers around lunchtime. Emails received after the batch is printed at 7am or received on Wednesdays or Saturdays will be distributed to campers the next day.

Parents can also send a request for a handwritten response with their email, which will provide the camper with one page to write back to parents. These forms, once filled out by your child and returned to our Camp post office box will be sent electronically via Bunki back to the parents. **Even if you have sent an email, please do not expect an immediate reply!** It can sometimes take a few days for your child's reply as they may be out of Camp on a trip, involved in a day-long camp activity or just busy having fun! [Read more about Bunki](#).

PHONE CALLS

Phone Calls at Camp

Unless it is an emergency, campers do not speak to parents on the phone. Please note that cell phones are not permitted at Camp. If a camper brings a cell phone, it will be collected and held in the Camp office safe until the end of the session.

If you are concerned about your child's well-being, or if you want to find

out now your camper is oong, please leave a message for the yoeztzet.
Contact information for Yoeztzim will be emailed to you before Camp begins. The Yoeztzet will research the situation and get back to you within 24 hours. Please note that messages left for the Yoeztzim on Friday afternoons are not generally returned until Sunday morning. In addition, most of the Yoeztzim are off on Wednesdays. Messages left on Wednesday will be returned on Thursday morning.

If the situation is an emergency, please follow the emergency contact procedure as outlined under “Parent Logistics.”

NEWS FROM CAMP

News & Updates from Camp

In addition to the letters parents will be receiving from their child(ren), our online photo galleries, regular videos, aishat updates, and pre-Shabbat news updates (Drishat Shalom) will help parents stay connected with all the fun happening at Camp.

Drishat Shalom/Pre-Shabbat News

During the summer, Drishat Shalom will be emailed every Friday before Shabbat. This weekly news update will summarize the week and touch on intangible aspects of the Ramah Experience – the magical parts of Camp that photos and videos cannot capture.

CAMPER PHOTOS

Photos & Videos

Each day, our Camp photography staff takes a myriad of photos of campers in action, and we will upload those photos twice a week. We will share a combination of posed and candid photos at a diversity of Camp locations and activities. You can easily download photos from [Bunki](#) and share them on social media.

We will share videos with you, giving a glimpse of the activity, excitement and programmatic highlights.

To access summer photos, log in to [bunki.com](#) (under “Returning Users Login”) or the Bunki app using the same email and password you use to log into your family dashboard. NOTE: IF YOU ARE AN ADMIN ON YOUR FAMILY DASHBOARD, YOU DO NOT NEED TO SET UP AN ACCOUNT and NO CODE IS NEEDED!

Camp Brit (Agreement)

THE AGREEMENT

The Brit (Agreement)

קהלה קדושה /Kehillah K’doshah (Holy Community)

At Ramah Darom we exemplify the qualities of כבוד (respect) and טוב לב (kindness) in interactions with כולם (everyone) both during the summer and during the school year.

We respect the feelings and emotions of others when in Camp and when at home. We talk with kind words, invite others to join us in play, take care not to exclude, humiliate or show meanness to others and respect others' bodies. We pay attention to Camp rules which are meant to keep us safe and treat all property on Camp with respect.

- We respect the property of others and Camp by not taking, defacing, destroying or altering property that does not belong to us. We have a responsibility to make sure others in Camp feel safe and that our campus maintains its beauty.
- We follow the rules of Camp, which include NOT bringing cigarettes, Juul equipment, e-cigarettes, drugs, marijuana and THC products, dangerous objects or illegal or dangerous items to Camp.
- We follow Camp rules and behavior expectations on campus, field trips, and Camp transportation. We never leave the boundaries designated for us on campus or on trips.
- We respect the requests and directions of staff members whose role is to keep us all safe and ensure an enjoyable time for all.
- We continue to treat members of our community with respect and kindness, including respectful interactions while texting and using social media, all year long.

בצלם אלוהים/B'tzelem Elohim (In the Image of God)

At Ramah Darom, we view each person as a reflection of God. Our diverse community is an essential part of who we are because every member of the Ramah community is of equal and supreme worth.

- We respect that each of us is a unique individual, offering compassion and help without teasing or bullying.
- We each strive to be the best version of ourselves, focusing on our own growth and learning.
- We accept that we each may make mistakes, but we can all learn from these experiences and attempt to give each other the benefit of the doubt when there is a disagreement.
- We are part of an inclusive environment, and we do not exclude others or make fun of another's challenges.
- We come to Camp with a positive attitude and bring our curiosity for exploring our Judaism.
- We commit to be a דגמה אשית (role model), expressing our profound Jewish joy and love for our קהלה (community).

NONCOMPLIANCE POLICY

Noncompliance Policy for Behavior/Breaking Camp Rules

While we do not expect perfection, we do expect all members of our community to strive for growth and to behave in a manner consistent with our *Brit*. Our goal is to help campers learn how to be members of our community through interventions when necessary. **Some behaviors may necessitate immediate dismissal¹ and others will generally follow the procedure below.**

Please note that campers must understand that being a bystander or being present when rules are broken may be cause for disciplinary action and/or presumption in participation in the breaking of the Camp rule. Campers should leave situations that are in violation of Camp policy immediately and get help. In all cases, the discretion of Camp leadership will be utilized.

1st Intervention: Counselors will be the first line of intervention with camper behaviors. They will utilize collaborative problem solving to address camper misbehavior and notify the *Rosh Aidah* (Unit Head) and Yoetzlet (Parent Liaison) as soon as possible of any incident.

2nd Intervention: *Rosh Aidah* will meet with the camper and counselor to decide on appropriate logical consequences, such as cleaning an area of Camp, writing an apology letter or missing an evening activity.

3rd Intervention: Yoetzlet (advisor) will work with the *Rosh Aidah* to decide on appropriate consequences and may also meet with the camper to create a behavior plan for camper success. Parents will be called and informed of the misbehavior, consequence and behavior plan, if applicable.

4th Intervention: Camper and *Rosh Aidah* will meet with the Camper Care Manager, Assistant Director or Director. Parents will be called and included in the consequence plan. Dismissal from Camp may occur at the discretion of the Director.

Immediate Dismissal

While Camp is a place for growth, certain behaviors put your child or others at risk of immediate dismissal¹ from Camp, such as:

- Possession, consumption of alcohol, illegal drugs, marijuana and THC products, or tobacco products

- Possession or consumption of non-prescribed legal drugs
- Leaving the boundaries of Camp property or field trip boundaries without proper authorization
- Purposefully harming others at Camp, emotionally or physically, or engaging in self-harm
- Purposefully harming or destroying Camp property
- Possession or use of e-cigarettes, vape pens or similar devices with or without tobacco, marijuana and THC products
- Possession of or use of guns, knives or weapons of any kind

"Campers who are dismissed from Camp due to behaviors or breaking of Camp rules, will receive no refund of tuition or fees. Travel costs incurred due to dismissal will be the parents'/guardians' responsibility."

The following items will be confiscated and may be returned at the end of Camp

(This doesn't NOT include pre-loaded Kindles, which are allowed at Camp or MP3 players that do not connect to WiFi.)

- Cell phones or any electronic devices that can connect to the Internet, including computers, iPads and other tablets, eReaders, portable game systems, or other similar equipment
- Other electronics, including DVD players, televisions, video cameras, walkie-talkies, etc.
- Flammable materials such as matches, fireworks, lighters, butane, incense, candles and hot pots
- Money, apart from money provided for yitziot (trips)

If a camper is dismissed for behavioral concerns, there will be a re-interview process to determine whether they can return in a subsequent summer. The re-interview process may include conversations with parent(s)/guardian(s), teachers, and/or therapists, and the camper. The Community Care and Inclusion Manager will make a recommendation to the Camp Director, and together, they will inform the family whether a camper is invited to return.

In order to best understand expectations and acknowledge commitment to the Ramah Darom community, all campers and Parents/Guardians are required to read, discuss, and agree to this Brit and complete the Brit Acknowledgment document on your [family dashboard](#) before arriving at Camp.
